~~XXXXXXXXXX~~ AMTJ/A - Photograph Identifications

Action Required: None; for your information.

AMTJ/A was unable to identify photographs of Juan Francisco RIZO Volquez, Consuelo Angelica VALLEJO de Mendonca and Gerardo Antonio PABLOLOS BEANS.

2. Source recognized a photograph of Edivano LORA Siente and believes that this individual arrived in ~~XXXXXX~~ with a group of some fifteen Dominicans. The Source saw this group while in training school, and the best recollection was that LORA was still in ~~XXXXXX~~ when AMTJ/A left (April 1964) because documentation for onward travel had not been prepared.

3. AMTJ/A also recognized a photograph of Jose CASIS Lezcano but does not recall seeing pertinent data concerning him. Source does believe that he knows this individual as a Cuban rather than a Dominican, although the latter is not excluded. Source commented that if he is a Dominican, he would have been in ~~XXXXXX~~ after August 1961, because it was at that time that Source began working for the ~~XXXXXX~~ Intelligence Service.
