

DISPATCH

SECRET

Chief of Station, Mexico ATTN: JOSEPH M. KISSICHO

Chief, KURICF
Aquatic/Operational
Evaluation of Woodblock Concealment Device.

REFERENCE: BMA-21884, dated 5 August 1963

- 1. The Woodblock concealment device, minus transmitter circuitry, forwarded to Headquarters as an attachment to reference has been received.
- 2. Please provide Headquarters with more detailed information regarding its unsuitability so that we can further assist you in your operational requirements and problems.

Horace N. Cookbell
