- b. Copy of a letter signed by Cmdte Rene VALLEJO for the Executive Council of the National Institute of Surgery of the Ministry of Health, dated 6 June addressed to Regino BOTI, President of JUCEPLAN requesting an approval for the expenditure of \$20,000.00 for the purchase of raw color film from Czechoslovakia. This film to be used at the national Universities and in Cuban scientific institutions. Received from [REDACTED] about mid-July from an unidentified correspondent. *ASSET*
- c. [REDACTED] debriefing of Antonio TOLEDO Zemora (A12 029 419) who was in the third year at the Medical School, University of Havana. Report dated 21 August.
- d. Translation of a commentary by Virgilio PEAJO Nunez, leader of the Cuban medical class Havana on 18 August 1962. It was submitted in translated form by [REDACTED] on 26 August. Though this appears to be an interesting commentary there does not appear to be anything new or startling in the information. *ASSG 9*
- e. Listing of medical and professional personnel in Havana which was received through the [REDACTED] diplomatic pouch. Pouch turned over to [REDACTED] for duplication. [REDACTED] provided translations. Envelope had return address Colegio Teresiano Calle 17 No. 1054 Vedado, Havana. Addressed to Eduardo ROCO, PO Box 1495. No WAVE tracer ROCO. Source of this information is not known. It is believed that the names under this attachment should be indexed for the field. No indication of meaning of A, B and C, but believe they stand for A- Anti-Communist, B- Neutral and C- Communist. *CRYPT* *CRYPT* *ASSET*
