Chief, w/d

FROM Chief of Station, Habana

SUBJECT Operational/KUTUBE
Dr. Jose Angel BUSTAMANTE O'Leary

AGENCY REQUESTED See below

REFERENCE(S) HCS-3292, 12 May 1959

Station Habana is interested in any information regarding Communist activities of Subject during his visit to Santiago. This Station would like to know if Subject was one of the group of Cuban doctors that visited Communist Party headquarters in Santiago. Apparently Subject knows Salvador ALLENDE since they were photographed together during ALLENDE's press conference in Cuba in February 1959.
