6. LEON reported to ANCRAG-1 that he was a close friend of AMWHIP-1 who lives in New York and who makes frequent trips to Europe and who is a friend of AMLASH-1; that AMWHIP-1 wanted LEON to work with him. LEON also told ANCRAG-1 that he had made arrangements and contacts with elements from Cuba, and that he has been able to obtain very useful work plans and information which he has given to AMBIDDY-1.

7. LEON informed ANCRAG-1 that on 17 March 1965 he had a telephone conversation with AMLASH-3, during which conversation AMLASH-3 expressed his dissatisfaction and said he was going to request his transfer to Cuba to join his group inside. LEON added that he could still make contact with AMLASH-3, but that at this moment he had absolutely no "support".

8. LEON told ANCRAG-1 that he had left the following requirements in Europe:

- a. Obtain the secret codes used in the Cuban Embassy in Madrid.
- b. Put a double agent into service in order to obtain information on the Party nets in the Caribbean area.
- c. Obtain a permanent source of information on the entire Cuban Foreign Service in Europe.

According to LEON, all these requirements have been left pending due to AMBIDDY-1's unreliability.
