SUBJECT	LIIHUFF/1, Social Security Benefits		

ACTION REQUIRED - REFERENCES

- REFS: A. HMET 10, 210
- B. Book Dispatch 6900, 11 March 1969

1. While under contract to JKLANCE from 1968 to February, 1970, LIIHUFF/1 accumulated nine creditable quarters under the Social Security Administration (SSA) system. Eight quarters were accumulated under true name but have not yet been transferred to SSA. One quarter credited under alias is already posted in the SSA per Ref. B. With Station approval, Headquarters intends to transfer the eight quarters accumulated under true name to SSA and have simultaneously the one quarter under alias merged into the true name account through the intercession of a cleared SSA contact. LINGLUE would be identified as LIIHUFF/1's employer for all nine quarters, and his SSA account will not show any JKLANCE interest or connection. The advantage of this procedure is that after all creditable service and contributions have been recorded in SSA, LIIHUFF/1 can correspond directly with SSA on any questions he may have as to the amounts he is entitled to, etc. JKLANCE will be cut out except if LIIHUFF/1 should have any questions on the amount of credit he earned during his JKLANCE service. In this case, he would have to contact the Station for forwarding his questions to Headquarters and resolution with appropriate SSA contacts.

2. Following Station action is therefore required:

- a. Notify Headquarters that no objection exists to the transfer outlined in para 1 above;
- b. Brief LIIHUFF/1 that
 - (1) his SSA credits are being transferred to SSA for recording but that their posting may take as long as six months because of routine posting backlog in SSA;
 - (2) he should therefore not expect a consolidation of all of his SSA credits until about the end of calendar year 1970 and should not begin correspondence with SSA until that time;
 - (3) since he had earned SSA credits prior to his association with JKLANCE, his spouse should be made aware of his/and/or her general SSA entitlements without any reference to the credits accrued during his JKLANCE service;
 - (4) after 31 December 1970, he may address any questions concerning SSA credits and entitlements to:

24 August 1967

1. Name (P): LIHUFF/I
2. Project : LIHUFF
3. Overt Job Title: Manager of Large Association.
4. Covert Job Title: Contract Agent.
5. Job Description : LIHUFF/I is a contract agent who is in touch with and reports on a right-wing student organization and its activities. He also reports on a Mexican organization which sponsors the publication of a right-wing economics (monthly) journal; he has contact with a sub-agent (LICHANT/I) who is employed by both the Ministry of Education and the Mexican Social Security Institute. In addition, he is able by virtue of his overt employment, to get Dun and Bradstreet credit and other checks on business firms...American, Mexican and others. He is in contact with other right-wing organizations and individuals and has good contacts with Catholic Church authorities in Mexico.

6. Evaluation:

- a. Performance of Above Duties without Prejudice to Either One.

There is no real conflict of interest with regard to LIHUFF/I's work with WOFAC. He works only part-time for WOFAC; his overt employment gives him excellent cover for the work he does for WOFAC.

- b. Attitude towards WOFAC, Cover Organization and Present Assignment.

LIHUFF/I is a great admirer of WOFAC. He is anxious to do any assignment given him; he is grateful for the extra income (although small) which the WOFAC job gives him. He is very pleased with his present assignment, loves working for his cover organization.

- c. Security and Discretion.

LIHUFF/I has had years of work of the WOFAC type. He did the same type of work during World War II in China; has been associated with WOFAC (under unofficial cover and in contract status) in [redacted] and in Mexico. He is very security-conscious and discreet about his association with WOFAC and about his work with this organization.

1. In response to Reference A, the Station notified Headquarters in Reference B that the \$500 monthly subsidy to the LIHUFF student organization would cease as of 30 April 1966. Headquarters believed that the April subsidy payment reported in Reference C and charged to Project LIRANCH was to be the last payment.

2. However, in both References D and E, subsidy payments of \$500 were again given to the LIHUFF student organization for the months of August and September. These expenditures were charged to LILISP-X. The most recent renewal requests for Projects LIHUFF and LILISP-X do not contain provisions for this subsidy. Headquarters was under the impression that the subsidy would not be continued and would appreciate the Station's comments.

1. The level and the scope of authorized charges to LILISP-X for LIHUFF activities for the balance of FY64 were provided to you in Ref B. The Station should adhere rigidly to the limitations on LIHUFF's salary and the support for student activities. Should you wish to support other specific projects under LIHUFF activity such as the book to be published in Buenos Aires, your recommendations in this respect will be considered by Headquarters on a case to case basis.

2. As also indicated in Ref B, Headquarters has allocated an additional \$30,000 to Project LILISP-X for FY64 bringing the total to \$82500. This additional allotment will have to be documented and the Station is asked to submit its comments which can be used in support of it.

3. The Station is also requested to submit to Headquarters, not later than 1 June 1964, an up-dated assessment of the LIHUFF operation. If at that time the Station wishes to present a revised project for fiscal year 1965, your recommendations should be submitted with the reassessment. If your recommendations are accepted, Headquarters will then undertake to rewrite the project outline forwarded with HMA-20931 and submit the Project for approval.
