MEMORANDUM FOR: Chief, OTS/AB/DIS

VIA : AC/CIOP

FROM : C/CIRA/IS

SUBJECT : Technical Comparison of Photographs

1. Herewith as Attachment A is a photograph of William Hamilton Martin, subject of 291-282353.
2. Attachment B is a photograph of Mikhail Vlasovich Ivanov, subject of 201-791386.
3. It is realized that the Attachment A photograph does not appear suitable for a definitive analysis; however, if OTS feels that the similarities are strong enough to warrant it, this office will attempt to obtain a better photograph of Martin.
4. Both photographs are file copies and must be returned.
