

Mr. Tolson, Room 5639

I, Luis Antonio Spay Pina gave the 24<sup>th</sup> of December 1960, at the U.S. Embassy in Havana, Cuba, to Mr. [redacted] an envelope with the following contents: A photostatic copy of the Revolutionary Unity original document, a leaf of paper of 8" by 11" with some addresses, a half leaf of paper of about 6" by 4 1/2" cut in half, and 4, \$100.00 dollar bills - This envelope was addressed to Fred Landis, at Miami. I never got in touch with [redacted] because when I got to call him at Miami, we was called back to Cuba on account of the relation rupturing between the U.S. and Cuba. - Rafael Spay told me that he got the envelope he sent but he didn't mine. He asked [redacted] wife and she didn't know a thing about it. -
