*Chief of Station, WAKA
Operational/d. ZEP/1. CIRNE
Former personal of Dr. Aurolio Sanchez Arraiza to help ANH-1 because of
State Department request*

ACTION REQUESTED: None, NYI

1. An MDT subscriber [redacted] reported on 12 December 1961 that he had that day, by chance, met General R. GUEVARA, a former colleague of Dr. Aurolio Sanchez Arraiza, at the New Orleans Airport. *2d-12-84-303*

2. [redacted] stated that GUEVARA told that he was returning that day from a trip to Mexico and Guatemala. In Panama he had talked to Presidento OLFALF and had found him to be indecisive, but, to the contrary, when he had talked to Presidente TORRRES in Guatemala he had found him extremely anxious to have CASTRO liquidated. TORRRES had asked GUEVARA about his visit to CHAVEZ, and when GUEVARA expressed his opinion, TORRRES said it was logical because CHAVEZ was extremely cowardly.

3. According to [redacted] GUEVARA further said that a short time ago he had been called by Mr. Bob Burwitz, chief of the Cuban Desk in the State Department, and that Burwitz had told him not to fool around with SANCHEZ or Julio CHAVEZ because the man who had the support of the U.S. was ANH-1, and that as he, Burwitz, had knowledge of the great work done by GUEVARA, he did not want him to continue losing more time.

4. [redacted] added that GUEVARA said that a few days later he received a phone call from ANH-1. GUEVARA told SUAREZ that he will help ANH-1, because it was requested, but he would never have done so by his own wish.

5. [redacted] said that GUEVARA continued his travel on to Washington, where he resides at 2129 - 27th Street, N.W., Washington 7.
