## MEMORANDUM FOR THE RECORD

SUBJECT: General: AMMUG/1 Debriefing keport #283

Specific: Visas and Passports

When the DGI wants a passport from the Ministry of Foreign Relations, the arrangement is handled by Roselio MONTENEGRO, who is the official Maison for the purpose. He may be a cousin of Ramon VASQUEZ Montenegro; they claim that they are cousins, but his may be only joking because of the similarity of names. A different Maison officer in the Ministry of Foreign Relations handles the issuance of visas for DGI purposes.
