MEMORANDUM FOR: Director  
Federal Bureau of Investigation  
SUBJECT: Irving AMRON & AMRONIN

1. Reference is made to the discussions between Mr. Bruce Solie of this Office and Mr. William C. Cregar of your Bureau on 12 January 1965 concerning the Subject case. Reference is also made to your 26 February and 23 May 1964 reports concerning the Subject case, Bureau File #105-100312.

2. Subject initially came to the attention of this Office in June 1964 when he replied to an advertisement placed by this Office in a NYC newspaper (utilizing a cover mechanism) for a position as a Russian language linguist. He was interviewed by a representative of this Office, who used the alias of [redacted] and Department of Defense cover, in Philadelphia on 3 September 1964.

3. In accordance with our discussions with Mr. Cregar of your Bureau, we are attaching herewith the information which was received from Subject concerning his background as well as the report of the debriefing which was accomplished of him on 3 September 1964.

4. This Office has no further operational interest in Subject who is being so advised.

5. The attached information is being forwarded to your Bureau for your information because of Subject's current presence in the USA and because of what appears to be an unusual, even suspicious, story concerning his background and the true circumstances of his arrival in the USA.
