ATTN : Chief, TFW
Security Officer

SECRET

Deputy Director of Security (IOS)

COBS, Viola June
#216 264

1. On 5 July 1961, a Limited Covert Security Approval with a number of restrictions was issued to enable periodic debriefing of above cited controversial person relative to Cuban matters.
2. Attached herewith for your information are copies of an FBI memorandum dated 19 April 1962 and its attachments.
3. It is apparent that Subject has become of some interest in the "Martin-Mitchell defection case" in view of the allegation that she may have been in contact with them during their flight. It is assumed that effort will be made by CIO to resolve this possible identification.
4. No further action by this office is intended at this time.

*Don't feel any other
action necessary here. FFW may
already have this info. SRS
is interested in all factors
of MARTIN-MITCHELL NSA or
G.I.R. will wash out the
ALLEGATION, I ASSUME.*
