MEMORANDUM FOR: The Review Staff  
VIA : Deputy Director for Administration  
SUBJECT : Senate Select Committee Request  
(Assassination of President Kennedy)

1. Reference is made to a 6 February 1976 request from the Senate Select Committee (Review Staff #76-0200), which contains three requests for information pertaining to the Committee's investigation of the assassination of President Kennedy.

2. With respect to paragraph one of referenced request, a search of the Office of Security indices failed to disclose any files identifiable with Gilberto Lopez (aka: Gilberto Policarpo Lopez), born on 26 January 1940 at Havana, Cuba.

3. However, the Office of Security does have a subject file pertaining to one Gilberto (Diaz) Lopez (SF #752 071), born in 1930 (date and month not shown) at Las Villas, Cuba. As of 1964, this individual was listed as a United States citizen, then residing in Cuba as a "rebel army doctor." Cited file reflects that in July 1964, the Western Hemisphere Division/DDP had requested that the Office of Security conduct National Agency Checks on Gilberto (Diaz) Lopez, indicating that he would be utilized as an "FI penetration in place." In August 1964, the Office of Security furnished the Western Hemisphere Division with the results of the National Agency Checks, which were negative. The file contains no additional information, and does not reflect what, if any, association Gilberto (Diaz) Lopez had with the Agency.
