TO Chief, WH Division

INFO

Chief, SR Division:

FROM

Chief of Station, Mexico City

SUBJECT

LCIMPROVE/LIENVOY - Terro de WANSTRAM or WANSTROHM (phonetic)

ACTION REQUIRED - REFERENCES

1. Forwarded under separate cover as Attachment A are two LIENVOY transcripts of 12 November 1963 and two LIENVOY transcripts of 13 November 1963 which Headquarters may consider for transmittal to Station [redacted]

2. Forwarded under separate cover as Attachment B is a photograph of an unidentified male (who was accompanied by an unidentified female whose photograph the Station asset did not obtain) who visited the Soviet Embassy at 1400 hours on 12 November 1963. The Station believes this male is identical with Subject since the male in the photograph is the only unidentified male who was also accompanied by a woman and, secondly, this male appears to be a nordic type. The Station recognizes, however, that Subject may have only claimed to be a Swede for cover purposes.

3. The following is the comment made by Douglas J. FEINGLASS, the Station's LIENVOY translator, concerning Attachment A:

"The exact spelling of this name could not be determined. He started by saying that it is - W - A - H.. and then stopped, emphasizing the two dots above A. It is very strange that he, being a Swede did not seek the aid of his Swedish Consulate, but applied to the Soviet Embassy and asked for a man, whom he met by chance (?) in a restaurant. But stranger still is the response of the Embassy officials, who went out of their way to find a ship for him. Usually requests of this nature are brushed aside and quite often in a very rude manner. Judging from his non-British accent and almost flawless English, he must have lived in the United States or Canada for quite some time." (The Station REDWOOD officer agrees with FEINGLASS' comment regarding the unusual reluctance of Soviet Embassy officials to help in a matter of this type.)

4. Station Mexico has no record of any member of the Soviet Embassy travelling to Oaxaca during this period.

5. Station Mexico has no traces on Subject.
