Dear [Redacted]

I have been in touch with your doctor Lawrence Winton. He states at this time that he has no objection to your attempting to become involved in the rehabilitation program.

Therefore, if you will report to the foreman of Goodwill Industries, Mr. Luzz, at 1130 N.W. 22nd Street as soon as possible upon receipt of this letter, you will be started in your training in shoe repair.

A copy of this letter Dr. Arns of Goodwill Industries is being informed of what is taking place so that she can notify the instructor at Goodwill. We hope that this will be the beginning of a worthwhile trade training for you.

If you have any further problems, call me here at FR 7-1531.

Very truly yours,

Gordon D. Smith, Counselor
Vocational Rehabilitation
