<p>REFERENCE: CPTW 37218, 12 February 1964</p> <p>1. Paris Station indices contain no information on Germain ARCEINIEGAS (sic--presumably Germain ARCEINIEGAS) OR Francisco FERNANDEZ Santos other than that of an overt nature already known to KUMOLF.</p> <p>2. Comparable overt information on Alberto BAEZA Flores is presumably also available to KUMOLF. We have no derogatory information on BAEZA, but note that he has for some years been a contact and sometime collaborator of UNRUMBLE 2, a Paris Station asset in the FURUBEN field. As KUMOLF presumably knows, BAEZA lived for some twenty years in Cuba and acquired Cuban citizenship, which he now holds. UNRUMBLE 2 considers him very anti-communist, intelligent, and an influential writer, and will remain in touch for our purposes during the duration of his own stay in France.</p> <p style="text-align: center;">Hops A.
