[This report was developed by an AFNIN Air Force representative assigned to the office of preparation.]

[ON FILE IN THE CIA LIBRARY is a copy, in Spanish, of the Frente Interno de Unidad Revolucionaria - FIUR.]

1. A Cuban exile, Julio V. Leal, residing at 4823 East 8th Court, Hialeah, Florida, claims to be the US Delegate of the "Cuban Government in Arms". He provided me with a copy of the FIUR declaration. [See On File Material.]

3. I doubt that Leal has been designated as the US representative for FIUR, and do not believe that the documents he gave me originated in Cuba. I suspect that another group of exiled Cuban politicians wrote the document in the US, and are trying to get national publicity in order to get support. I have recently heard that Eloy Gutierrez Menoyo has been added to the list of Cabinet appointments. I doubt very much that Gutierrez and Ray would be fully accepted by the majority of Cubans in exile.
