

Legal Counsel to Mr. Adams Memo  
RE: SENATE SELECT COMMITTEE  
ON INTELLIGENCE ACTIVITIES

Miller also advised on 4-2-75 that their review of the Ellison investigation showed justifiable concern for her being cleared for the staff, and he asked for any guidance we might give him. It was pointed out that the only real solution to the situation seemed to be that she not be added to the staff. Miller said he would appreciate any comments from the CIA also in this regard. This request was conveyed to [CIA by Section Chief William Cregar of the Intelligence Division who subsequently advised that Charles Kane, Director of Security, CIA, had reviewed the file on Ellison and agreed there was sufficient cause to question her suitability for assignment to the Select Committee staff. Kane stated CIA Director Colby concurred in this observation.]

(S)(A)

These views were conveyed to Miller on 4-9-75. Miller stated at that time that they had resolved the situation by assigning Mrs. Ellison to purely administrative tasks and that she would be fully isolated from any sensitive or classified information in connection with her responsibilities.
