MEMORANDUM FOR: Mr. J. Lee Rankin

SUBJECT: Information Developed by CIA on the Activity of Lee Harvey OSWALD in Mexico City, 28 September - 3 October 1963 as Transmitted to Warren Commission

1. I am enclosing a presentation of the information developed by CIA on or about Lee Harvey OSWALD in Mexico City. We have included in this paper only hard, substantive information. Any judgments that are made represent professional evaluations by individuals who have worked over the years as specialists in their fields. Speculation, rumor, and vague detail not directly related to OSWALD's activity have not been included.

2. Pursuant to our discussion on 14 January 1964, I have given the enclosure an appropriate classification. The compromise of this material in its present form would lead directly to the destruction of current sources and methods of this Agency in Mexico and elsewhere.
