DATE: January 16, 1976

SUBJECT: Howard Hunt Examination

Attached is an index to the subjects covered in the examination of Howard Hunt that Howard Liebengood and I conducted last weekend.

On the basis of this examination, it appeared to both Howard and me that there was no need to bring Hunt to Washington for any further questioning. Please let me have any thoughts you may have on another examination of Hunt. The present plan is simply to arrange for him to swear to the transcript in affidavit form.
