left in February 1962.

technical ops - ran the  
teletaps - [redacted]

chief ran everything

[redacted] taps were on  
Sov. + Cuban. (extensive)  
in addition

Tom Haslett was over-  
all responsible for  
planning + directing  
Cuban ops.

Harry Mahoney ran  
photo ops.

Only one photo base on  
Cuban Embassy. - F.E.  
was responsible.

Milted was running the  
base.

SECRET

There was some other

tech operation there also.

F.E. picked up production  
+ turned over to Zambardi  
for processing.

replaced by Tom Keenan!  
sez T.K. took over his  
operations - sure of it.

Glen Widdlen - TSO ran  
outside technical operations  
equipment supply.  
"a major cog" - outside.

Mexi was very active but  
was almost entirely C.I.

TK should know about Cub. Photo coz he was in there @

7 F.E.

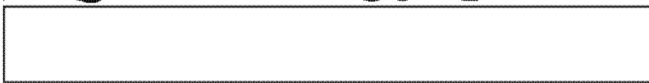

THOMAS KEENAN - same while was there - worked outside @ F.E. on teletaps (unilateral) - doesn't recall any photo ops @ him. Luis Pucket.

R.H. FELDMAN - after F.E. left.

ENGINEER  
did drawings  
CASING.

RAMON ALVAREZ - may have been related to Wilsted - worked on some kind of surveillance.

b in LAW

SECRET

DAVID WILSTED - k outside - technician on all listening posts. What to do @ Cuba tech. surveillance.
