Re San Francisco airtel and teletype to Bureau dated 2/24/67.

Enclosed for the Bureau are 10 copies of an LHM regarding interviews of ROBERT LARGEN and HERBERT DURELL MC CORD and resulting negative investigation to locate GLENN DAVID ROACH.

Investigation at Fort Worth, Texas, and Dallas, Texas, was conducted by SA GERALD LEWIS GEARY. Investigation at Sacramento, California, was conducted by SA PETER T. SEXTON.

Inquiries regarding MC CORD with knowledgeable police investigators indicate he is an associate of the major criminal element in the Dallas metropolitan area and is completely uncooperative with any police agency. It would appear that MC CORD purposely furnished false information regarding D. G. ROACH, aka "Tex" Roach, believed identical to GLENN DAVID ROACH, as he was unavailable for interview in the Dallas area.

(E-103)

Dallas Office indices reflect HERBERT D. MC CORD was contacted as a PCI (Dallas file 137-88) from 9/2/52 to 12/8/52, when he was closed as information he furnished had proved to be unreliable or of no value.
