Reference is made to pages 40 - 48, report of SA MANNING C. CLEMENTS, 2/18/64, relative to allegations RUBY was in Cuba in late 1962 and early 1963, and specifically to the allegation he traveled to Cuba by air from Mexico City.

Legat, Mexico City, by communication 3/6/65, furnished information received from CIA in a memorandum dated 2/27/64, as follows:

"Information available to this office fails to confirm that subject left Mexico for Habana, or arrived in Mexico City from Habana by air anytime during 1962."

Reference pages 23 - 29, report of SA MANNING C. CLEMENTS, concerning efforts to identify one "DAVIS," with whom RUBY had allegedly been in contact regarding shipment of merchandise to Cuba.

The Miami Office has advised as follows:

On 3/5/64, MM 639-S, true name HOWARD K. DAVIS, advised he had seen newspaper photographs of JACK LEON RUBY but had never seen him before, never had any dealings with anyone with that name and had never met him in Houston, Texas.

It is noted MM 639-S is from Chicago, Illinois; Palm Beach and Miami, Florida, and does not have any criminal record.

Miami sources and informants were contacted with negative results concerning the identity of DAVIS.

Local federal agencies advised they do not know anyone possibly identical with DAVIS.

Reference is made to page 772, report of SA MANNING C. CLEMENTS, 11/30/64, Dallas, and Dallas airtel 1/29/64, concerning a notation found in effects of RUBY, as follows:

"CARLOS CAMORGIO (probably CAMARGO), telephone 14-9628, Mexico City."
