Letter states: "We have sent you OSWALD: ASSASSIN OR FALL GUY under separate cover. It is a much superior book than Buchanan's; more objective, less fanciful and more up-to-date. The Warren Commission report will be out in September and we plan within a week to have an analysis of the report which will be incorporated in the present Oswald book as a long introduction. The author JOACHIM JOESTEN is in charge of German rights. He is now in Munich. Write to him right away Poste Restante, Munich and tell him you are interested. He may have a publisher already." (c)
