Security Matter - C

Reference is made to Federal Bureau of Investigation (FBI) memorandum dated October 4, 1965, reflecting information that subject was then living in Denmark.

On December 31, 1965, a confidential source abroad advised that subject departed England on December 12, 1965, in company with Ralph Schoenman of the Bertrand Russell Peace Foundation. This source stated that Schoenman returned to England on December 19, 1965, but could furnish no information as to the return travel of subject. (S)

The above source made available material which reflected that subject and Richard Lord Stark planned to produce a feature-length film based on subject's book "Rush To Judgement" dealing with the circumstances surrounding the assassination of President John F. Kennedy at Dallas, Texas, on November 22, 1963. This source also furnished a business prospectus for an organization entitled "Current Affairs Documentary Films, Ltd.", a company formed in England for the purpose of producing the above mentioned film. This prospectus noted subject's address as 27 Argyll Mansions, Kings Road, London, SW 3, England. (S)

On February 24, 1966, a second source, who was in a position to furnish reliable information, advised the American printing of subject's book, "Rush To Judgement" was being prepared by Viking Press, New York, New York. This source stated that in checking the manuscript Viking Press had discovered inaccuracies and exaggerations which they demanded the subject clarify. This source stated subject informed Viking Press he could change the manuscript to their satisfaction.
