Re: SHERMAN FRANKLIN LITTLE, aka,
    IGA (DL 162-129)

On each day of the past week, LITTLE's car was
observed at various times of the day parked at the apart-
ment at 321 - 8th Street, Dallas. On 12/7/62 LITTLE was
again observed at the newsstand operated by HARRY REMER
URBAN (DL 162-143) and it was noted when he left this
place he was on the dead run and appeared to be very excited.

On 12/3/62, LITTLE's associate, MARVIN COX, was
placed under surveillance by Bureau Agents and about 1:15 pm
he left the apartment house and went to the Office Club,
312 West Davis. He was at this club approximately 23 minutes
then drove directly to another private club, The Ship,
2138 Fort Worth Avenue, which is operated by WILLIAM HOWARD

COOPER (DL 162-208). (The above actions by COX appeared to verify information previously received from DL-95-C that COX, as LITTLE's runner, had connections at various private clubs in Dallas where bets were placed during the week and which were being laid off to LITTLE through COX). Subsequently COX went to a drive-in at 1222 South Industrial where he drank beer and where it appeared he picked up a young girl who was driving a 1962 Chevrolet, Arkansas license 9-15281. This girl was accompanied by another girl and when the woman who was driving this car got into COX's car, the passenger then drove off in the Chevrolet. This car is registered to W. V. RYAN, Hot Springs, Ark., no further information to date.

On 12/6/62, GLADYS COMPTON, wife of FRED COMPTON, associate of subject LITTLE, was interviewed by Bureau Agents. She advised that she had not seen her husband in thirty or forty days and had no information as to his whereabouts. She stated that her husband quite frequently "takes off" on drinking sprees and would be gone for long periods of time. She disclaimed any knowledge of her husband's gambling activities or the gambling activities at the Redmen Club but did state her husband was a former officer in the Redmen Association, whose business it was to establish such clubs throughout Texas and New Mexico.

The above information was orally furnished to LT. JACK REVILL, Intelligence Section, Dallas PD and Deputy Sheriff BOB MORGAN, Intelligence Section, Dallas SO, on 12/7/62.

Re: HENRY CLINTON/WINFREY, aka.
IGA (DL 162-95)

JOHN ELI STONE, aka.
IGA (DL 162-37)

On 12/4/62, DL-170-C, advised that WINFREY was operating out of a Dallas apartment, as a bookmaker, over telephone number FE 7-3197. Immediate contact with TONY PAVELKA, Assistant Special Agent in Charge, Southwestern Bell Telephone Co., Dallas (Protect Identity) determined that this phone is listed to JAMES C. GARETT, Apartment 207, 4207 Meredith, Dallas. Also in this apartment was telephone number FE 7-3224 listed to EDWARD E. MYERS. The phones were installed 8/3/62 and application was made by Mrs. LOUISA KELLY, telephone WH 2-5554, "aunt of GARRETT".
On 12/4/62, manager of the apartment house, Mrs. CATHERINE KINNIMOUTH, (Protect Identity), identified a photograph of WINFREY as being identical with JAMES C. GARRETT. He stated GARRETT rented the apartment 8/1/62 and moved in 8/15/62. She said on numerous occasions she had observed a very distinguished "good looking" man with greying hair visit GARRETT's apartment. She was shown a photograph of STONE but could not identify STONE as being identical with this second man. She stated that up until approximately a month ago, GARRETT and his associate would be at the apartment practically every day but since that time has only been there periodically. She stated that he paid his rent on 12/1/62 of $130 for the month of December. On 12/5/62 she advised that GARRETT had returned to the apartment driving a 1962 Olds mobile, Texas PV 2334. Previous investigation had ascertained this license is registered to Winfrey.

On 12/5/62, DL-170-C advised that GARRETT also had another apartment in Dallas from where he was operating and where he had telephone number WH 2-4074. An immediate check with the phone company ascertained that this number was connected 9/14/62 and is listed to JOHN GLEASON in Apartment 6, 506½ North Edgefield. On 12/5/62, Bureau Agents observed WINFREY's car parked in the neighborhood of this latter apartment. The car was also parked in this area on 12/6 and 7/62. On 12/7/62, WILLIAM CROTHERS, District Manager, Southwestern Bell Telephone Co. (Protect Identity) advised that also located in Apartment 6, 506½ North Edgefield was telephone WH 2-4286, which is listed to JAMES GLEASON, brother of JOHN GLEASON.

The above information was orally furnished to LT. REVILL and DEP. MORGAN on 12/7/62.

Re: GIIF – Dallas
(DL 94-47)

On 12/7/62, DL-170-C (DL 137-566), advised he had received information from a car salesman who operates in Houston, Texas, and whom the informant did not care to identify other than stating he formerly operated the bar now known as the Turf Bar in Dallas, prior to the time this bar was purchased by ELMER SOLOMON. (A check with Intelligence Records, Dallas PD and previous Dallas City Directories, determined that the person from whom the informant obtained the following information is very probably identical with CECIL E. "RED" HARRIS, Dallas PD #12446, a known former Dallas gambler and bookmaker).
According to informant he was recently approached by this Houston source who wanted to know if the informant knew anyone presently serving a prison sentence in the Texas State Penitentiary, for whom the informant may wish to obtain a release. Houston source stated that after 1/1/63, when a new administration takes over at Austin, Texas, it would be possible to obtain the release of anyone on a parole for a fee, unless the person was serving a life sentence or a sentence for conviction of a crime such as murder or rape. The Houston source also stated that things in Texas were going to "open up" after 1/1/63 and that gambling and prostitution would again be available in the State and would not be held in check as they presently are. Informant could not vouch for the above information but stated that his source is the type of person who would have access to such information.

In view of the above, copy of this airtel being furnished for information - GIIF purposes, to each Houston, El Paso and San Antonio.

The above information was also orally furnished to LT. REVILL and Sheriff BILL DECKER, Dallas SO, on 12/7/62.

Re: WILLIAM MEADOR SMITH, aka. ET AL ITWI, ITWP, etc. (DL 165-29)

On 12/7/62, information was received from the telephone company, Dallas, that that company was recipient of a subpoena from the McClellan Senate Sub-Committee, Washington, D.C., for the toll tickets charged to the telephone of MARY SUP KELLY, one of the subjects. From the above it would appear that this Senate Sub-Committee is going to initiate an inquiry into this matter. The Bureau was immediately advised by teletype.

Re: GAY GAMES INC.
MUNCIE, IND.
ITWP, ITAR - GAMBLING (DL 168-25)(OO: IP)

Acting on a lead from the Indianapolis Office concerning correspondence between subject company and one PAUL D’BEASE, 4124 McKinney Avenue, Dallas, it was ascertained that D’BEASE still resides at this apartment with his wife ROSALEE and another resident in the same apartment is CARLO CAMPISI, father of Dallas gambler JERI CAMPISI (DL 92-339). On 12/7/62, DL-170-C advised that in addition to WINFREY operating as a bookie in Dallas, bets can also be placed with
PHIL BOSCO (DL 92-331) and CAMPISI as the bettor is well known to these persons.

The above information was furnished to LT. REVILL and DEP. MORGAN on 12/7/62.

New PCI ROBERT FLOYD MONTGOMERY advised that he is the ex-brother-in-law of GARY DEAN BARRON, FBI No. 572811A, and that BARRON frequently introduces him as his brother. PCI stated that he was arrested on 10/22/62, on a burglary charge and has been held in the Dallas County Jail since that time awaiting trial on a burglary charge arising out of an indictment. PCI stated that actually he is not guilty of the burglary and that BARRON is responsible for the burglary, but that he has not mentioned this to any authorities because the only way it could be proved would be if he could get out on bond.

PCI stated that BARRON visited him in the Dallas County Jail on Tuesday, 12/4/62, at which time BARRON was trying to get MONTGOMERY to make bond because he and MYERS needed another person during the Christmas holiday season because they "had a lot of deals cooking".

PCI stated that prior to his arrest on 10/22/62, he was present when BARRON and MYERS were talking about pulling some jewel jobs at several residences during the holiday season, but did not indicate that they had previously pulled any jewel burglaries. PCI stated that BARRON trusts him implicitly and frequently mentions to other individuals that they can speak freely in front of PCI. He stated that BARRON in no way suspects that he would furnish information concerning BARRON's activities.

PCI stated that BARRON and MYERS visited his wife at Apartment 3, 4928 San Jacinto Street, Dallas, Texas, on 11/26/62, and that while there struck his wife who is three months' pregnant and that for this reason, as well as others, he is willing to furnish any and all information concerning both MYERS and BARRON, as well as other individuals in the criminal element known to him.
