Re: SHERMAN FRANKLIN LITTLE, aka
IGA
(DL 162-129)

On 6/20/63, Mrs. ROBERT TIGRETT, landlady at the apartment house where subject is operating as a bookmaker, identified photo of subject as the person she has seen on several occasions going to and from the apartment originally rented by subject's associate MARVIN COX, under the name JOE WITSELL. She further advised she had seen this man previously referred to by "WITSELL" as his uncle, at the apartment in the evening hours, which is a change in subject's normal pattern of operation. She stated a friend of "WITSELL" had moved into the nextdoor apartment, named FRANK PUCINE.

A check at the telephone company ascertained that toll calls charged to the phone at this apartment would not be available until about 7/3/63, and that there was no other service located in this apartment.

On 6/20/63, PCI BOB EDWIN BRIDGES stated he had learned through a reliable source that SHIRLEY STEWART, Apt. B, 1855 Summitt St., Dallas, Tex., telephone TA 4-1245, received numerous calls during night of 6/19/63, some of which were calls requesting that she send the caller a girl. She thereafter would contact girls at unknown locations and tell them where to go. She indicated she has six girls working for her. She reportedly has had telephone TA 4-1245 since about 4/26/63. She also had a conversation with some unknown individual about getting some marijuana. She reportedly also told some unknown man who indicated he had a "girl" that she could always use more girls. PCI stated he would endeavor to obtain further information but it appeared SHIRLEY STEWART was operating a call house.

PCI stated JULIE ADAMS, Apt. 101, 1514 N. Carroll, Dallas, Tex., who recently obtained telephone number TA 4-7174, recently contacted an unknown Dallas bank in an effort to determine if a \$1,000 check she had received from someone in Los Angeles, Calif. was good.

PCI stated that on Friday, 6/14/63, an unknown man was at JULIE ADAMS' apartment and discussed going to Mexico with another unknown man. In the conversations, it was mentioned that three of them could cross the border in a car and one could walk across, and that the one walking across the border could pass the "stuff" to those in the car after they got across. The man at JULIE's apartment mentioned that a woman by the name of LUPE had been the source of supply, but that she could not longer get the "stuff".
