Letter states the following in substance: I received your letter of April 8th, two days ago. We have been in San Francisco since last summer and often think back with pleasure about our trip in the DDR. I am sending by regular mail a brochure which we wrote after our return. We often have the opportunity to talk about the DDR. If new material, particularly statistical matters, is available, we can put it to good use. Also other material on the development of the DDR. Everything is going well for us, and we hope the same for you and your family. (C)
