LA 145-723

PCI SKIDMORE said that THURSTON told him that both of his daughters (both by a former marriage, one 16 and one 20 years of age) had helped splice, wrap and package his "girlie" films. JAKKI LYNN THURSTON indicated that she did not believe it was good to have any of the "hard stuff" which she referred to as the "M Series" around when the girls were there.

PCI SKIDMORE turned over to SA YOUNG film samples of the still photos which THURSTON is dealing in and claims to have motion picture films of each of the girls which are depicted in these sets. One set is of JUANITA DALE PHILLIPS, aka better known as "Candy Bar" the popular Dallas prostitute and stripper who appeared in the obscene film entitled "Smart Alec" made by WYMAN HULAN PARR in Dallas, Texas in 1953 when PHILLIPS was 15 years of age. Two of the sets bear markings of "M-3" and "M-5" which PCI SKIDMORE states is the present living room couch in THURSTON's residence; was the couch he moved from 2280 Cavanaugh Circle, Los Angeles, to his present residence. PCI SKIDMORE states that all of the models are identified by name in THURSTON's residence. THURSTON has promised to prepare and mail to PCI SKIDMORE a complete list of his present "hard core pornography" films.

(It is to be noted that all of the film packages furnished by PCI SKIDMORE were previously furnished by Officer DON SHAIPELL of the Administrative Vice Division, Los Angeles Police Department, which films were seized by the Los Angeles Police Department when SIDNEY SCHUYLER was arrested shipping over 600 packages on October 14, 1965 from Los Angeles, California to KEN LA MONDE of Minneapolis, Minnesota. The Los Angeles Police Department believed that SCHUYLER was obtaining his films from GENE and HAROLD HOLDEN and had not identified DANA THURSTON as being SCHUYLER's source for such films.)

THURSTON further confided in PCI SKIDMORE that he had acquired some new colored motion picture films which are "hard stuff" from a group that was recently "burned" (arrested by the police) and they sold this to him very cheap.

The records of DMV, Los Angeles, reflects that California license CYM 642 is registered to LARRY UFFER, 1427 Lyndhurst, Hacienda Heights, California.
