~~MABELADO DIONISIO LIMA PEREZ~~ protect identity, with whom insufficient contact has been had to determine his reliability, advised SA ROBERT A. BIRMINGHAM, 8/29/58, he has learned from ROGELIO ROIG, Directorio OBRERO REVOLUCIONARIO (DOR) leader in New York that the DOR and the CUBANA REBELDE have 200 men armed and ready to depart for Cuba at at moments notice. LIMA was unable to determine the point of departure, method of travel or approximate time of departure other than the fact it could be any day. He identified ROIG, Dr. LaGUARDIA, a Negro Dentist who is acting as head of the Cubana Rebelde, and JESUS RODRIGUEZ, a DOR member, all of New York, as leaders of this planned expedition. LIMA explained that the DOR is not cooperating with any other revolutionary group other than the Cubana Rebelde, inasmuch as the DOR was not invited to the recent Cuban revolutionary meeting in Caracas, Venezuela. He advised that he has heard that the July 26 Movement has organized an armed expedition of 3000 men in the United States and also expects to land in Cuba in the near future. He advised that he has also heard that Venezuela is wide open for Cuban revolutionary activity and for the obtaining of arms.
