GENERAL INVESTIGATIVE INTELLIGENCE FILE

BROWARD COUNTY, FLORIDA

June 1, 1956 - December 1, 1956

The following information was obtained during the course of regular investigation by Special Agents JOSEPH I. GREALY, DENNIS J. O'SHEA and JOSEPH ZIEGLER.

A. ORGANIZED GANGS

Investigation and contacts with informants and sources of information have failed to give any indication that there are any organized gangs in Broward County at the present time.

On November 15, 1956, MM 322-C advised that neither MEYER LANSKY, FBI No. 791783, nor VINCENT ALO have been in Hollywood, Florida, during the past six months. He indicated that ALO has become more aligned with activities in New York since the deportation of JOE ADONIS to Italy. Informant stated that JACK LANSKY has made brief appearances at his home in Hollywood, Florida, but has spent most of his time in Havana, Cuba, where the LANSKY syndicate is active in gambling operations.

On November 16, 1956, MM 322-C advised that SAMUEL LAWRENCE BRATT, FBI No. 5036886, returned to Hollywood, Florida, from Las Vegas, Nevada, during the election primaries in May, 1956, at which time he supported FRANK TUPPEN, former Chief of Police at Pompano Beach, Florida, and unsuccessful candidate for the nomination to the office of Sheriff of Broward County. He added that BRATT returned in October, 1956, in an effort to align himself with CLAUDE TINDALL, the Democratic candidate for Sheriff.

B. INDIVIDUAL RACKETEERS AND MOBSTERS

VINCENT ALO, wa.  
"Jimmie Blue Eyes", N.Y.  
1248 Monroe Street  
Hollywood, Florida

On November 15, 1956, MM 322-C advised that ALO, who maintains a home in Hollywood has not returned here

MM 62-1273

the local press reported a raid on the ~~Mello Club~~, Orlando, Florida and from this raid it was indicated the football pool had links to the Daytona Beach area.

MM 572C advised JOHN ~~NARDUCCI~~, Ormond Beach, Florida is handling football bets and horse bets. NARDUCCI assists in the operation of ~~Ralph's Cocktail Lounge~~, Ormond Beach, Florida.

C. POLITICAL TIE-UPS WITH ORGANIZED CRIME *Daytona Beach*

MM 572C reports Constable JAMES T. ~~AKINCHEN~~ is being paid off by JACK BUTLER in order for BUTLER to operate in the colored section of town.

D. POLICE EFFICIENCY

H. LEROY ALLEN is Chief of Police and his department consists of some fifty-five men. The Detective Bureau has been headed in the past by ALVA G. LAYNE, but LAYNE retired as of November 1, 1956 and a successor has not yet been appointed.

Public reaction to the efforts of the police has become more favorable, but all seem to agree that there is room for much improvement. Chief ALLEN has held several police schools during the past three years and the FBI participated in each of these schools. ALLEN is interested in promoting police efficiency, but lacks organizational ability and does not hold full respect of his men. There are several different factions within the department, each trying to get their own man in a key position.

The Daytona Beach Police Department and the Volusia County Sheriff's Office and the troopers of the Florida Highway Patrol in this area are most cooperative with FBI and go all out to aid or assist the Bureau in its work.

E. GAMBLING

MM 316C, MM 618C, MM 572C, MM 431C, MM 437C and MM 316C report there are no open gambling houses in Volusia County, Florida. There are sneak games held at the Moose Club and the Elks Club, but the main type of gambling here

BYRON LEARY

AL MANHEIM, who has furnished reliable information to Agents of the Miami Office to date regarding some security and criminal matters but the Bureau has advised some of their files reflect MANHEIM to be somewhat of an opportunist and one individual who was associated with him informed the Army Attache at Rio de Janeiro, Brazil that MANHEIM was considered irresponsible. Bureau related that MANHEIM in 1954, then an informant for the United States Customs, made an unauthorized disclosure of informant status to one DON COOK. MANHEIM at the present is in the Miami area and is also an informant for the United States Customs Service. He advised that on June 30, 1956, he learned from CHARLIE FREED, operator of the Monterey Woodcrafters, that NORMAN ROTHMAN and BYRON LEARY of the Bruzon Hotel, Cuba, were also in the slot machine business.

SMITH, age 38, according to the articles, related he operates twenty-three rooms in two rooming houses in the Negro district and drives a new Cadillac.

of jail after CHISHOLM had been there for 7½ weeks previously, having been arrested by Agents of Miami on a bad check charge. Two days later he said CLEIN's publishing plant blew up after having been dynamited. MANHEIM said that seven sticks of dynamite had been found either by the manager of the hotel or police in the hotel from which had been occupied by CHISHOLM in the vicinity of San Francisco before CHISHOLM came to Miami. MANHEIM said that after the explosion CLEIN acquired a new Cadillac, a new Mercury and had rebuilt his plant whereas prior to that he was financially broke, was behind on his payroll and had passed several bad checks. MANHEIM further stated that CLEIN has three ex-deputies Sheriff of Dade County, Florida, namely MC CRORY, VENNO and SLAUGHTER, on his payroll and has employed from West Palm Beach one DOY SCHACHTMAN to serve as a strong armed man for him.

On June 4, 1956, MANHEIM advised SA GEORGE DAVIS that when Sheriff KELLY hired him to investigate CLEIN he told JOHN TYLER, CBI, Dade County Sheriff's Office to turn over to MANHEIM the file on CLEIN. MANHEIM stated that TYLER had been stalling and that he had not yet received the file.

On July 30, 1956, MANHEIM advised SA GEORGE DAVIS that he is now employed as an investigator by Sheriff KELLY and that shortly after MANHEIM was employed by Sheriff KELLY to conduct investigation of RUBIN CLEIN, KELLY instructed MANHEIM to see what he could find out about ELI QUAIN of Miami Beach. MANHEIM said that he also learned from CHARLIE FREED, operator of Monterey Woodcrafter, that ELI QUAIN, NORMAN ROTHMAN and ABE GOODMAN were in the bolita business in Cuba.

On about June 26, 1956, MANHEIM said Sheriff KELLY called him in for a conference relative to his progress in obtaining information concerning QUAIN. He informed
