Form FD 159 was submitted to the case file.

On numerous dates throughout the period of this report, spot fisurs were conducted by the SAS of the FBI in the vicinity of the subject's residence, 215 Mott Street, NY; however no activity was noted.

On 3/29/60, NY 2666-C advised SA VICTOR CARRELLI that GRANELLO, and GEORGE LEVINE were partners in gambling operations in Havana, Cuba, for some time and made a considerable amount of money there. He stated that LEVINE and BURNS both have a lot of money now, made from their gambling, and various other transactions they had going for them.

He said that BURNS and LEVINE were said to have some interest in some bars, however, he could furnish no further information about this. He also said that they would be involved in anything that would produce money. They also were supposed to have shipped guns to Cuba in the past.

He said that years ago, LEVINE did not have much money and he, the informant, on several occasions gave LEVINE money with which to pay his rent. He said today LEVINE has a lot of money. He also said that he last saw LEVINE a few months ago, and LEVINE told him he was travelling back and forth to Calif.

Concerning BURNS, he said that BURNS has a summer home at Greenwood Lake, NY, which he allegedly spent a lot of money for and which is supposed to include a couple of lots. He said that he was told that BURNS spent around \$75,000 fixing the place up, however, he has never seen the place and does not know this to be accurate. He said BURNS has the place only for recreation, but permits his racketeers to use it. He said that BURNS is a "Button Man" and is considered to be in the "big time".

The Motor Vehicle Bureau checks set out in this report were made by IC JOHN T. LYNCH.

The Dun and Bradstreet checks in this report were made by IC JOHN T. LYNCH.

It is noted that in 1953 and 1954 information supplied by informants indicated the subject was a "front man" for various labor unions and also that he was a delegate in a TV repairmen's union. The New York Office to date has no corroborative information to substantiate these allegations. The New York Office, however, is attempting to ascertain if the subject is, in fact, connected with any unions at present and if so, in what capacity.

The information set out in this report as having been furnished by PCI SEYMOUR POLLACK was all obtained from POLLACK. POLLACK when supplying this information was in fear of reprisal from subject if it became known he was talking to this office. In view of this fact, in reporting the information supplied by POLLACK the cover name of TONY was used to more fully cover the identity of informant. It should be noted that when referring to TONY, informant is speaking of himself.

In referenced letter to the Director, dated 9/23/58, the Bureau was requested through the Legats Rome, Italy, and Havana, Cuba, to cause investigation to be conducted in those respective countries.

The Legat Rome was requested to ascertain if JOE ADONIS had left Italy and possibly may have been

in Havana, Cuba, during the latter part of 1957.

The Legat Havana was requested to ascertain the subscriber to telephone number BO 9655 which reportedly was a number at which GEORGE LEVINE could be reached. Legat Havana was also requested to ascertain if information available to that office regarding LEVINE's residence and activities in Havana, were consistent with the information supplied by PCI SEYMOUR POLLACK.
