about two weeks previously and RAKLFS had also apparently departed for Kansas City on 2-7-62. No forwarding address for either Mr. or Mrs. RAKLFS was available at the North American Insurance Company.

JOHN LG BLACE, Superintendent of Mail Office, Main Post Office, San Diego (PROJECT IDENTITY), confidentially advised he had located a forwarding address for RICHARD A. and WINIFRED RAKLFS to 101 "I" Street, Chula Vista, California, as of 2-1-62.

The San Diego City Directory lists DONALD J. RAKLFS (CONSTANCE M.), U.S. Navy, home 101 "I" Street, Chula Vista. Telephone information furnished phone number at this address as 420-0690. Telephonic inquiry under protest disclosed that RICHARD RAKLFS and his children were residing at that address. Inquiry was not made regarding WINIFRED RAKLFS as it was not deemed advisable.

Special Agent TOM MEYER (PROJECT IDENTITY), confidentially advised that Pacific Telephone & Telegraph Company records reflected that telephone BR. 7-5533, assigned to RICHARD A. RAKLFS, 3352 Atlas Street, San Diego, had been discontinued on 2-1-62. Notes on telephone account reflected that Mrs. RAKLFS had gone to Kansas City about 1-20-62 and correspondence for RICHARD RAKLFS was to be forwarded to DONALD RAKLFS, 101 "I" Street, Chula Vista, California.

Mrs. RUDOLPH FECHO, 3351 Atlas Street, San Diego, (BR 7-0366) advised she was handling the rental of the residence at 3352 Atlas Street. She also stated that Mr. and Mrs. RAKLFS had a disagreement and Mrs. RAKLFS left alone for Kansas City about two and a half weeks ago. She attempted to take the children with her but was prevented from doing so by Mr. RAKLFS. The latter is residing with relatives in Chula Vista, California, name and address unknown, and apparently has the children with him.

Mrs. RAKLFS was contacted in Kansas City and is presently under development as a PCI and the interview of her will be paraphrased in this report through the utilization of a "T" symbol inasmuch as it is very likely that if

her identity became known, her value as a PFI would be destroyed. Any pertinent information of value obtained from Mrs. HANIFS will be forwarded to interested agencies by Letterhead Memorandum.

The Bureau is being kept advised of pertinent information developed by RC 737-C* through tri-weekly Airtels as well as weekly summaries submitted under the Criminal Intelligence Program. All information furnished by this source is being incorporated into the substantive case file in this division.

All offices which might utilize information reflected in this report should use extreme care and discretion in order to conceal the source so that its value will not be compromised.

In addition, certain information has been developed through CG 6466-C* and RC 737-C* concerning possible ownership of the Monte Carlo Club and a race track at Las Vegas, Nevada. In both instances, a Mrs. JOSEPH BROWN has a financial association with the locations and a separate lead has been set forth under the title "CRIMINAL INTELLIGENCE PROGRAM - KANSAS CITY DIVISION" for the Las Vegas Division, as well as the St. Louis, New Orleans and Cleveland offices, to conduct certain investigation in relation to the ownership of these locations. This matter will not be dealt with in detail in this report but in view of the fact that it involves not only subject but other Kansas City hoodlum figures and until pertinent information pertaining directly to CIVELLA is developed, this information will not be reported in detail in the CIVELLA reports; however, copies of all investigative activity are being channelized to the substantive case file.

The following information was furnished by RC 737-C* on 3-21-62, originating at the Original Toy & Jobbing Company: (Conversation occurred between an unknown individual, NICHOLAS CIVELLA and TOMMY MORGAN.)

UI: Somebody just told me they ask about all of us guys in Vegas, Charlie Turner (ph), him and his brother, the
