Re Miami letter to Bureau, 7/26/67.

Principal anti-CASTRO organizations operating in the Miami area are identified below. The identities of informants and sources in positions to furnish pertinent information concerning the activities of these organizations are also set out. Membership figures of the groups are set forth where such data are known.

Miami will continue its efforts to increase the quantity and quality of informant and source coverage within these organizations. Attempts are also being made to place symbol informants within these organizations, and in some cases, to develop members as informants.
