#### D. CRIMINAL ACTIVITY

On October 31, 1960, DL T-2 advised SA ALFRED D. NEELEY that he was acquainted with JAMES H. DOLAN and has known him for about 15 years. He stated that DOLAN was a gambler and lived in Oak Cliff, Dallas, telephone WH 2-0445, and was in charge of a union for show people. He stated that he never knew of DOLAN being involved in any thefts and stated that he was a promoter type person who always had some kind of "deal" going. DL T-2 stated that DOLAN tried to get him to go to Cuba about a year ago on a gambling proposition but he refused. He stated that DOLAN apparently has some connection with the gamblers in Chicago, Illinois, as he is always talking about the fixed Chicago fights. DL T-2 stated that DOLAN called him last week wanting to know the location of a gambling game saying that he had one of the best card players and that he wanted to get this man in a game. DL T-2 stated that he suggested PINKY RHODEN's (phonetic) game at Odessa, Texas, and DOLAN told him that this man could not play at RHODEN's, since he knew RHODEN, Odessa Red, and some other gamblers there. He advised that DOLAN did not tell him who this person was and he did not see him. DL T-2 stated that a short time ago he had some hot shot golfer that was unknown in the Dallas area and that he was attempting to work up a game for him, but he did not know how he came out.
