## TOP SECRET INFORMATION COVER SHEET

*00170B-67*

UNITED STATES GOVERNMENT

TS-1018/PL

# Memorandum

TO : DIADR (ATTN: DIASC)

*Joe*

DATE: 9 July 1964

FROM : DIAPL

SUBJECT: Supplement to Weekly Activities Report (3-9 July 1964)

Provided DIA concurrence on J-3 Buff report on CINCLANT Oplan 319-64, This plan provides for the overthrow of the government of Cuba by application of US military force to include:

- a. Application of chemical/biological incapacitating agents to reduce Cuban military capability to wage war;
- b. Air strikes prior to introduction of US invasion forces;
- c. Invasion of Cuba by US forces.

The intelligence aspects of CINCLANT's plan need updating; the buff report points this out.

This is the first plan prepared by a Unified or Specified Commander that plans for the specific use of C/B agents. CINCLANT, in the forward to his plan, stated he did not favor the use of C/B agents. The JCS, however, are directing that he proceed with the planning.
