CR 201/75/253

The purpose of this report is that a request be made to the Federal Bureau of Investigation, via Mr W. Kisch their representative at the Embassy of the United States of America, for certain confidential enquiries to be made relative to a contract murder committed in this Country on 8th September, 1975.

Briefly, the details of the above are that at approximately 5.15 p.m. on the day in question, Mrs Beatrice (Biddy) GOLD, aged 47 years, was in the basement office of her business premises situated at 364 Goswell Road, London, when she received fatal gunshot wounds to the head and body.

Enquiries commenced and as a result the following two persons were arrested and charged with murder :-

(a) Errol Clive HEIBNER, born 16th June, 1945, in Capetown, South Africa, a painter and decorator by trade, residing at 78 Lefevre Walk, Bow, London, and

(b) Roberto ROSA-FAUZZA (known as Albert ROSSI) of Italian extraction, but, born in London on 1st November, 1922, a so called flooring contractor, but, who, in reality has lived off his and the proceeds of crime for

many years and up to the time of his arrest was residing at 168, Rowley Gardens, Harringay London. It is known that Heibner was the man who physically murdered Mrs Gold and Rossi was the middle man who made the arrangements and supplied the gun.

Both defendants have made verbal and written admissions of their guilt and have quite clearly stated this was a contract murder, however, Rossi will not and, it would appear, Heibner cannot, name those who wished this woman's death and paid the £20,000 shared between the above two men for the murder, and despite intense investigation this aspect remains unresolved.

In an endeavour to discover the background of the defendants and their associates details have been uncovered in respect of American contacts as follows:-

(a) Between 29th August and 6th September, 1975, Vincent de MARCO and his wife, Esther DE MARCO of 960, West Avenue, Miami, Florida, (telephone number FLA 33139) and Michael MILLER of 2899 Collius Avenue, Miami Beach, Florida, came to England and stayed at the Hilton Hotel, Park Lane, London. During this period they came into contact with Rossi, and the three men visited Ireland and purchased a number of greyhounds for shipment to Florida.

Mrs Vincent De Marco

(b) It would appear that Rossi either knew De Marco and Miller from past visits he made to America on 6th February, 1966, and later on 8th March, 1971, bearing a British Citizens passport number 40203 issued in London on 28th January, 1966, in the name of Roberto FAUZZA, or the contact was arranged by :-

but, who, it will be remembered, together with George RAFT was declared persona non grata in Great Britain some seven or eight years ago.

It would be of great assistance if confidential enquiries could be made in the U.S.A with a view to ascertaining details of the antecedents, associates, mode of life etc. of De Marco, Miller and Cellini and, if possible, the particulars of those with whom the De Marco's travelled to England in August, 1975.
