GUS ALEX, aka.
AR

A confidential source of the Chicago Office has advised that Alex is considering a future trip to Europe to include a visit to Greece. Alex is presently attempting to determine if he can also visit Switzerland, in view of the recent action of Swiss authorities in banning his re-entry until 1975. It is noted that Alex had previously indicated he would retain a lawyer in Switzerland to handle an appeal in this matter.

Chicago has also received information from another source indicating that Alex has considerable business to conduct in Switzerland and that 6/24/65 has been mentioned as a possible sailing date for him and his paramour, Suzanne Fueger, to make this visit.

Bureau desires to be advised of any pertinent information received by you concerning this situation.

1 - Foreign Liaison (Route through for review)

NOTE: Alex and his girl friend, Suzanne Fueger, visited Switzerland for an annual vacation and following their visit to Switzerland several months ago, Swiss authorities issued an order banning Alex's return before 1975 on the basis that he was an undesirable person. Some indication has been received that Alex may be handling financial transactions in Switzerland and Legat, Bern, is being advised in advance of his next proposed travel to that country.
