ReMIairtel 8/12/64.

SA KENNETH J. HASER determined on 8/18/64, that a special search by name of records of FBI Identification Division re JASPER GALLO produced negative results.

On 8/18/64, SA HASER determined through the Office of Security, Department of State, that there is no record of GALLO in the current visa files of State (1955 to date). Noted that Visa Office has records on fewer than 1% of all U.S. visas issued throughout world by reason of operation of immigration laws which vest responsibility for issuance of such visas in U. S. Consular Offices abroad. In this connection, if GALLO were issued U. S. non-immigrant visa in Italy at Embassy or Consulate there, record maintained there for four years. If he were issued immigrant visa at Embassy or one of Consulates, record will be maintained there 16 months and then destroyed. If other investigation re GALLO's entry to U. S. negative, suggest have Legat, Rome, check for post visa file.

Mrs. VERDE CRENSHAW, Passport Office, Department of State, advised SA HASER 8/21/64, no identifiable record of GALLO could be found in passport files.
