SF 2550-C-TE advised on July 24, 1964, that MRS. ALEX CAMARATA returned from Irvington, New Jersey, where she had attended the Golden Wedding Anniversary of her parents, MR. and MRS. JOHN MISURACA. MRS. CAMARATA indicated that the anniversary party was small and was held at a small restaurant of a friend of her father in Irvington. She stated photos of the party were taken, which Informant will attempt to obtain in the future in order that copies may be made.

MRS. CAMARATA indicated that her father expressed concern about the trouble that had been caused in the New York area among the members of La Cosa Nostra. Informant is of the opinion this referred to the GALLO-PROFACI feud in the PROFACI Family of New York. MRS. CAMARATA stated because of this trouble the wives of the members of La Cosa Nostra have become fearful for their personal safety and many of them have taken to carrying switchblade knives in their purses. She stated that her mother carries a switchblade knife in her purse and that MADELYN GRECCO, her sister of Brooklyn, New York, has carried one in her purse for a long period of time.
