Re Chicago airtel to Bureau, dated 7/28/64; Chicago teletype to Bureau, dated 8/3/64.

On 8/4/64, MI 623-C-TE advised that on 8/1/64 at a wedding reception in Milwaukee FRANK PETER BALISTRERI said that the LCN meeting of 8/2/64 had been called off because of illness of one of the big wheels, but it would be rescheduled in October at the same place.

Informant said he did not realize the importance of furnishing this information immediately, as it dealt with a cancellation rather than a positive occurrence. This may well be, in view of the fact that informant was at no time given reason to believe that the 8/2/64 meeting would be covered by surveillance, and emphasis has always been placed on security of our investigations and techniques.
