LEGAL ADVICE FOR PRESENT OR FORMER BUREAU EMPLOYEES

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 10/18/00 BY SP7/AM/dly

Reference is made to my memorandum of September 23, 1975, which advised you of a request I received concerning legal representation for W. Donald Stewart a former Special Agent of this Bureau who has been requested to submit to interview by the Senate Select Committee.

Mr. Stewart telephonically advised on September 24, 1975, that he had been contacted by James Dick of the Senate Select Committee and again asked to appear for interview concerning mail openings. Mr. Stewart explained to Mr. Dick that he was arranging with the Department of Justice for legal representation and until these arrangements were completed, he did not feel it was appropriate for him to be interviewed. According to Mr. Stewart, Mr. Dick informed him that the Committee could not wait for such arrangements to be completed and that arrangements should be made at this time for the interview. Mr. Stewart stated, Mr. Dick implied that, if he did not agree to an interview in the immediate future, a subpoena would be issued. As a result, Mr. Stewart agreed to appear September 26, 1975, for interview by the Senate Select Committee concerning mail openings. He, however, did not indicate whether he intends to furnish information at that time.

Mr. Stewart inquired as to the status of the request for legal representation which he requested by letter dated September 18, 1975 (a copy was enclosed with referenced memorandum). He was advised that this matter had not as yet been resolved and that he would be expeditiously advised of the resolution of his request.

In view of the immediacy of the problem concerning legal representation for Mr. Stewart, it is respectfully requested that this Bureau be expeditiously advised of your decision in this matter.

Reference is made to the memorandum dated August 13, 1975, from Mr. Douglas R. Marvin, Counselor to the Attorney General, to Mr. W. Raymond Wannall, of this Bureau, captioned, "Senate Select Committee Request for Information on Warrantless Electronic Surveillances," which enclosed an SSC request dated July 7, 1975, and to my memoranda, captioned as above, dated August 25, 1975, September 16, 1975, and September 19, 1975.

Enclosed is the original of a memorandum containing responses to questions 4, 5, 6, 7, and 8, as they pertain to FBI warrantless microphone and telephone surveillances. My memorandum to you dated September 16, 1975, indicated these responses were being prepared separately.

REC-61 42-11432-809

In conformity with our prior responses to these SSC requests, the identity of the requesting Presidential appointee is omitted. This criteria did not become applicable until the recent Presidential Directive which is the subject of the SSC request question #23b, the response to which the Department has reserved for itself. Our response therefore states all electronic surveillance requests are signed by the Director or Acting Director of the FBI.

The Attorney General

A briefing for Senators Church and Tower has been provided covering warrantless electronic surveillances, surreptitious entry for recovery of cryptographic material, teletype coverage requested by the National Security Agency and electronic penetration of communications equipment requested by the National Security Agency. The White House asked that agencies of the intelligence community not respond to any requests from the SSC covering these matters until the briefing had been given. The goal of the briefing was to confine knowledge of these matters to Senators Church and Tower and avoid proliferation of this information throughout the SSC staff. In view of this, it is recommended that the enclosed material not be made available to the SSC staff until it is discussed with the White House. I further urge that it be made clear to the White House that if this material is to be made available to the SSC that access to the enclosed material be limited to Senators Church, Tower, and SSC Staff Director William Miller only.

A copy of the memorandum is enclosed for your records.

NOTE:

Memorandum 8/25/75 to the Attorney General, enclosed responses to questions 2, 3, 9, 10, 14, 15, and 21. Memorandum 9/19/75 to the Attorney General enclosed the response to question 24. Memorandum 9/16/75 to the Attorney General enclosed responses to questions 4, 5, 6, 7, 8, 11, 12, and 17. The latter memorandum excluded FBI warrantless electronic surveillance statistics relative to questions 4, 5, 6, 7, and 8 since this data required more time for compilation. This data has now been compiled and is contained in the memorandum enclosed with this letter. Responses have now been provided to all questions in the SSC request dated 7/7/75 which were assigned to the Bureau by the Attorney General's office.

Reference is made to SSC letter dated July 7, 1975, with attached questionnaire. By memorandum dated September 16, 1975, replies were given to questions 4, 5, 6, 7, and 8 as they pertained to agencies other than the Federal Bureau of Investigation (FBI). This response pertains to FBI requests for both telephone and microphone warrantless electronic surveillances utilized in FBI investigations. The response excludes from consideration the electronic surveillances utilized regarding the "Kissinger 17," Joseph Kraft, and Yeoman Charles Edward Radford. These matters have been the subject of individual SSC inquiries. The material furnished to the Committee or to which it has been given access in regard to these specific matters provides the data which would respond to questions 4, 5, 6, 7, and 8.

Question #4 asked: "What have been the identities of the agencies and the Presidential appointees who have initiated requests for warrantless electronic surveillance from 1966 to the present?"

With respect to this question, the FBI has initiated requests to the Attorney General for warrantless electronic surveillances. All FBI requests, either initial or continuances, are signed by the Director or Acting Director of the FBI.
