(4):
On March 29, 1978, I, David N. Jellison, Special Agent with the Miami Office of the Federal Bureau of Investigation, was interviewed by Richard C. Wrose, Mark Speiser, and Wendy Collins, investigators, and Peter G. Beeson, Staff Counsel, for the United States House of Representatives Select Committee on Assassinations. This interview took place at the House of Representatives Select Committee Office Building, Washington, D.C.

At the outset, I identified myself as a Special Agent of the Federal Bureau of Investigation and obtained names and titles of the interviewing officials. I also furnished my date of birth, Social Security Number, and general background information relating to my FBI career to date. I specifically furnished the date I commenced my assignment in the Miami Division as June 1966. Upon arriving in Miami, I was assigned to the investigation of civil rights and extremist matters as they existed in the Miami Division at that time. In this regard, I was assigned to handling the Martin Luther King murder investigation as leads developed in the Miami Division in 1968.

I was asked to comment on any contact I had with William Sommersett, an extremist source in the Miami Division at the time I was assigned to investigate extremist matters. To my recollection, regular contact with Sommersett had been discontinued prior to my arrival in Miami due to his unstable behavior and to avoid possible embarrassment to the Bureau. I am of the opinion that for some years prior to 1966, Sommersett had furnished reliable information to the Bureau relating to both extremist and criminal matters. Any direct

INTERVIEW OF SPECIAL AGENT DAVID N. JELLISON

contact I had with Sommersett was initiated by Sommersett, and any information developed as a result was accepted at face value and either verified or discredited, as the case may have been. To my knowledge, Sommersett was not paid for any information he furnished to the FBI during my tenure handling extremist matters.

Whatever contact the Miami Police Department had with Sommersett is unknown to me with the exception of a bombing matter which fell under the jurisdiction of the Miami Police Department and of which Sommersett apparently had direct knowledge. I was shown a memorandum by the House of Representatives interviewing officials which was allegedly written by an Officer Sap of the Miami Police Department on April 25, 1968, to Chief of Police Headley, wherein Officer Sap stated he had developed information from Sommersett on April 3, 1968 indicating that Martin Luther King would be killed in Memphis, Tennessee. I never met Officer Sap and never saw this memorandum. I do not recall Sommersett or any Miami Police Department official relating any of the information contained in this memorandum to me.

Prior to the conclusion of this interview, I was asked about several names which were unknown to me and was interrogated about any knowledge I might have regarding an FBI "Cointell" (phonetic) Program as it pertained to the Miami Division. I have no knowledge of this program in the Miami Division or anywhere else in the Bureau.

At the conclusion of the interview, I was advised that I would be notified of any further inquiries in this matter wherein my presence or testimony would be necessary.

Dear Mr. Attorney General:

The Report of the Department of Justice Task Force to Review the F.B.I. Martin Luther King, Jr., Security and Assassination Investigations discusses a series of surreptitious entries designed, among other purposes, to obtain information about Dr. King and the S.C.L.C.

In connection with the investigation by this Committee into the circumstances surrounding the death of Dr. Martin Luther King, Jr., staff members have determined that access to certain additional information is necessary at this time. The Committee, therefore, requests that the F.B.I. review the appropriate files and provide the following information:

2. The city in which each entry occurred.

3. A statement of the approvals and authority under which each entry was undertaken.

PURPOSE: To report results of a special briefing held for Mr. G. Robert Blakey, Chief Counsel and Director, HSCA, on 4-12-78, in the Director's Office.

DETAILS: On 3-23-78, Mr. Robert Keuch, Deputy Assistant Attorney General, Criminal Division, Special Counsel to the Attorney General for matters relating to captioned Committee, advised that the staff of the HSCA had asked, because of numerous excisions in material received from the FBI concerning the Martin Luther King, Jr., investigation, that a briefing on our "Solo" operation be afforded Mr. Blakey; Congressmen Louis Stokes, Chairman of the HSCA; and Samuel L. Devine, Ranking Minority, HSCA. It was subsequently decided to brief only Mr. Blakey, who indicated that such might preclude necessity of briefing the two Congressmen.

On 4-12-78, at 11:30 a.m., this briefing was held in the Director's Office. Attending were: the Director; Mr. Blakey; W. O. Cregar and M. J. Steinbeck of the Intelligence Division; D. O. Coulson, Legal Counsel Division; and J. T. Aldhizer, Records Management Division. (U)

SA Aldhizer showed exerpts of Department and FBI documents which had been provided the HSCA and had contained excised information from our sensitive informant operation (Solo) in the King and Stanley David Levison investigations. Purpose was to show information concerning the King-Levison association which served as the basis of the FBI's security investigation of King. SA Steinbeck followed with a discussion of the "Solo" operation with special emphasis on the King-Levison association.

Following the briefing, Mr. Blakey proposed several questions concerning the operation and King. These questions were appropriately answered. (U)

Mr. Blakey expressed satisfaction with the briefing and with the Bureau's reasons for excising documents furnished the HSCA. He stated the early association of King and Levison is crucial to the HSCA's investigation. He acknowledged that the FBI had a basis to investigate King and to install telephone surveillance of him. However, he believed the investigation of King continued for too long a period and information developed by the FBI concerning King was disseminated too widely. (U)

Mr. Blakey desired that Congressmen Stokes and Devine be furnished the same briefing at a future date. (U)

HOUSE SELECT COMMITTEE ON ASSASSINATIONS
U. S. HOUSE OF REPRESENTATIVES (HSCA)

Reference is made to letter to Attorney General from G. Robert Blakey, Chief Counsel and Director, HSCA, dated February 28, 1978, which, in connection with HSCA's investigation into the assassination of Martin Luther King, Jr., requested certain information from files of FBI Headquarters (FBIHQ) and that five named Agents be made available for interview by the HSCA.

Referenced letter listed 13 organizations of interest to the HSCA. Material from FBIHQ files regarding the first 12 organizations listed (Items 1–12) was requested from the following areas: Birmingham, Alabama, January–June, 1963; St. Augustine, Florida, January–June, 1964; the State of Mississippi, March–September, 1964; the State of Alabama, January–June, 1965; and Chicago, Illinois, January–March, 1966.

Regarding Item 13, the "Constitution Party," material from FBIHQ was requested for the years 1967–1968 involving Birmingham, Alabama; Los Angeles, California; Chicago, Illinois; St. Louis, Missouri; New Orleans, Louisiana; Atlanta, Georgia; Memphis, Tennessee; and Miami, Florida. On March 1, 1978, HSCA staff member Lisa Berlow advised that information needed concerning the "Constitution Party" should be corrected to encompass the years 1963–1968.

It should be noted that, regarding the above localities, St. Augustine, Florida, is covered by the Jacksonville Office of the FBI. The State of Mississippi has been covered by the Jackson Field Office since July, 1964. Prior to that date, coverage of the state was divided between the Memphis and New Orleans Field Offices. The State of Alabama is covered by the Birmingham and Mobile Field Offices.

In response to the above request, where information was retrievable, material from files of FBIHQ concerning the following organizations has been processed and is available for HSCA access at FBIHQ:

(1) United Klans of America

Subfiles of the UKA have been processed for the Birmingham Field Office, January–June, 1963; the State of Mississippi (Jackson, New Orleans, and Memphis Field

Offices) for March-September, 1964; the State of Alabama (Birmingham and Mobile Field Offices) for January-June 1965; and for the Chicago Field Office, January-March, 1966. No information was contained in the subfile for the Jacksonville Field Office for the pertinent period of HSCA interest.

(2) White Citizens' Council (WCC)

A search of FBIHQ files disclosed no nationwide organization of the WCC. Therefore, since no Field Office subfiles exist, FBIHQ indices were searched for all retrievable information concerning the WCC for the period January, 1963, through March, 1966. The resulting information, some of which was previously provided the HSCA in response to its request of November 3, 1977, concerns WCC groups in Ohio during 1965; Montgomery, Alabama, during 1965-1966; in Chicago during 1963-1965; and three additional general file references.

(3) Minutemen

Field Office subfiles exist in the FBI's investigation of the Minutemen organization; however, the subfiles for offices of interest to the HSCA contain no information for the period January, 1963, through March, 1966. Therefore, the main investigative file of the Minutemen (105-107261) for the period January, 1963, through March, 1966, (Sections 5-46) has been processed and is available for HSCA access.

(4) Liberty Lobby (LL)

The FBI conducted no active investigation of the LL. The majority of information received at FBIHQ concerning this group was filed in Bureau file 62-106941. A portion of this file and pertinent references for the period of HSCA interest have been made available for HSCA access.

(5) Black Panther Party (BPP)

Since the BPP was not founded until 1966, no information concerning it exists in files of FBIHQ for the periods and localities specified in referenced HSCA letters.
(6) Black Muslims (Nation of Islam) (NOI)

Subfiles of the NOI have been processed for the Birmingham Field Office, January–June, 1963; the Jacksonville Field Office, January–June, 1964; the State of Mississippi (New Orleans and Memphis Field Offices) from March–September, 1964; the State of Alabama (Birmingham and Mobile Field Offices) from January–June, 1965. No NOI subfile exists for the Chicago Field Office since it was office of origin in the NOI investigation. Therefore, the main NOI file (25-330971) for the period January, 1963, through March, 1966 (Sections 161–192) has been processed and is available for HSCA access.

(7) American Nazi Party (National Socialist White Peoples' Party)

This investigation was not divided into Field Office subfiles at FBIHQ. Therefore, the entire main file (105-70374) for the period January, 1963, through March, 1966, (Sections 38–84) has been processed for HSCA access.

(8) The Sword

Files of FBIHQ contain no identifiable information concerning this organization for the period of HSCA interest (January, 1963, through March, 1966).

(9) The Fiery Cross

On March 1, 1978, HSCA staff member Lisa Berlow modified referenced request by advising that it was not necessary to provide any information concerning The Fiery Cross.

(10) The White Camelia

Files of FBIHQ contain no identifiable information concerning this organization for the period of HSCA interest (January, 1963, through March, 1966).

(11) The Silver Dollar Group

All retrievable information in files of FBIHQ concerning this group for the period of HSCA interest has been processed and is available for review.
HOUSE SELECT COMMITTEE ON ASSASSINATIONS

(12) Forever White

Files of FBIHQ contain no identifiable information concerning this organization.

(13) Constitution Party (Constitution Party of the U. S.)

All retrievable information in the files of FBIHQ concerning this organization during the pertinent period of HSCA interest has been processed and is available for review.

Regarding the above, where information is not being furnished, it is either not retrievable or is not being produced pursuant to the Memorandum of Understanding.

Referenced letter requested the FBI prepare for delivery all reports pertaining to the special investigation into racial bombings in the Birmingham, Alabama, area during the approximate period of 1963. On March 14, 1978, Michael Eberhardt, HSCA Staff Attorney, advised that this portion of the request of February 28, 1978, could be disregarded because the HSCA, by letter dated March 3, 1978, resubmitted its request for information concerning racial bombings.

This letter is also to confirm that agents named in referenced request have been released from their employment agreements and are available for interview as needed by the HSCA. Arrangements for interview can be made through contact with representatives of the Legal Liaison and Congressional Affairs Unit and Congressional Inquiry Unit of FBIHQ.

A review of the St. Louis Murkin file (SL 44-775) revealed that all information re financial and/or bank records pertaining to JERRY RAYNES was forwarded to the Bureau in St. Louis reports of SA HAROLD R. DOBSON dated 5/10/68 and 6/25/68.

On 4/5/78, SA TRON W. BREKKE, Congressional Inquiry Unit, Records Management Division, telephonically advised that since requested information was already at the Bureau it would not be necessary for St. Louis to forward duplicate material.

Reference is made to letter to the Attorney General from G. Reference is also made to undated letter to the Attorney General from Mr. Blakey, which requested delivery of the material outlined in the letter of January 30, 1978.

Enclosed are an original and one copy of a memorandum in partial response to the above request. It is requested that you furnish a copy of the enclosed memorandum to the HSCA.

Enclosures - 2

Regarding COINTELPRO files, the Communist Party, USA (CPUSA), COINTELPRO file was not reviewed for material pertaining to King or Southern Christian Leadership Conference (SCLC). There was previously conducted at FBI Headquarters a thorough review of COINTELPRO files. Summaries of all actions were prepared in order to respond to Department and Congressional inquiries about the scope and depth of the programs. Therefore, serials in this file pertaining to King and SCLC have already been identified. These serials, approximately 15 in number from 1962-68, have been processed for the HSCA (100-3-104) 121249.679

The Black Nationalist-Hate Groups COINTELPRO
(file 100-448006) has been reviewed for the period of HSCA
interest, 1/1/67 - 4/1/69. From this file approximately
28 serials relating to COINTELPRO actions or considered
actions against King and the SCLC have been processed for
HSCA access.

The HSCA has been advised that material involving
FBI Legats in the King and SCLC files is not being delivered
and an access folder containing these serials is maintained
at FBI Headquarters.

Remaining sections in the SCLC file will be
processed and later delivered to HSCA, at which time
response to the request of 1/30/78 will be completed.

HOUSE SELECT COMMITTEE ON ASSASSINATIONS
U. S. HOUSE OF REPRESENTATIVES (HSCA)

Reference is made to letter to the Attorney General from G. Robert Blakey, Chief Counsel and Director, HSCA, dated January 30, 1978, which, in connection with HSCA's investigation into the assassination of Martin Luther King, Jr., requested access to certain information at FBI Headquarters (FBIHQ). Reference is also made to undated letter to the Attorney General from Mr. Blakey, which requested delivery of the material outlined in the letter of January 30, 1978.

FBI memorandum dated March 6, 1978, confirmed, in partial response to the above requests, a delivery of a copy of the FBI security file on Martin Luther King, Jr., 100-106670, Sections 1 and 2 (JUNE), and 100-106670, Sections 1 through 86, less Sections 63, 64 and 65, which were being processed.

This letter confirms that on March 8, 1978, one copy of the above-mentioned Sections 63, 64 and 65 of the King security investigation was delivered at FBIHQ to HSCA representative Peter Beeson.

Concerning the King security file, it is noted that a number of serials were charged out of this file and, based on the sensitivity involved, were stored in a file cabinet in the office of Joseph G. Deegan, Room 4092 of the J. Edgar Hoover Building. Following Mr. Deegan's retirement and a reorganization at FBIHQ, this cabinet is now located in Room 4084 of the J. Edgar Hoover Building. One copy of each serial charged out of the King security file and placed in this cabinet has been processed and was delivered to HSCA representative Gerald Hamilton on March 15, 1978, at FBIHQ. These serials are as follows: 100-106670-414; -517; -522; -529; -1024; -1975; -1980; -3559; unrecorded serial, Las Vegas airtel to the Bureau dated May 25, 1964, captioned "CPUSA - Negro Question, Communist Influence in Racial Matters; Martin Luther King, Jr., SM - C"; and unrecorded serial, Baumgardner to Sullivan

memorandum dated June 1, 1964, captioned "CPUSA - Negro Question, Communist Influence in Racial Matters - Internal Security - Communist."

With completion of the above, a copy of the entire FBI King security file for the period specified by the HSCA has been delivered.

Among other items, referenced letters requested delivery of the FBI main security file concerning the Southern Christian Leadership Conference (SCLC) for the period October 1, 1962, to December 31, 1966, and May 1, 1968, to April 1, 1969. This time period was modified on February 3, 1978, by HSCA staff attorney Michael Eberhardt, who also requested delivery of the SCLC security file to include the period January 1, 1967, to April 30, 1968. Files covering this latter period were previously processed for HSCA access pursuant to letters from Mr. Blakey dated November 30, 1977.

This letter is also to confirm that on March 14, 1978, partial delivery of a copy of the SCLC file was made at FBIHQ to HSCA representative Oliver Champion. A copy of each of the following sections was delivered: 100-438794, Section 1 (JUNE); and 100-438794, Sections 1 through 95, less Sections 4, 35, 56, 57, 64, 65, 68 through 81, 83, and 87 through 94. The remaining sections are being processed, and upon completion will be delivered to the HSCA.

Referenced letter of January 30, 1978, requested delivery of "COMINTEL and COINTELPRO" files relating to King for the periods October 1, 1962, to December 31, 1966, and from May 1, 1968, to April 1, 1969. On February 3, 1978, Mr. Eberhardt clarified this request by eliminating reference to COMINTEL and to limit COINTELPRO information to programs involving the CPUSA and Black Nationalist-Hate Groups. Mr. Eberhardt also requested delivery of COINTELPRO information involving King and SCLC for the period January 1, 1967, to April 30, 1968, which had previously been prepared for HSCA access in response to HSCA letter of November 30, 1977.
House Select Committee on Assassinations  
U. S. House of Representatives (HSCA)

Therefore, on March 15, 1978, COINTELPRO infor-
mation desired by the HSCA for the period October 1, 
1962, to April 1, 1969, was delivered at FBIHQ to HSCA 
representative Gerald Hamilton.

On February 6, 1978, Mr. Eberhardt advised that 
the FBI could disregard the HSCA request in referenced 
letter for files concerning the "Poor Peoples' March" 
from May 1, 1968, to the closing date of that file.

BUDED 4/14/78

Re Bureau teletype to Atlanta, 4/7/78.

Enclosed for the Bureau is one xerox copy  
each of 14 documents, plus one envelope of latent  
prints, which were taken from the Atlanta MURKIN file,  
as requested by FBIHQ in referenced teletype.

Referenced teletype indicated that the HSCA  
had requested that the FBI furnish "all original  
transparent latent lifts of value and of no value in  
the possession of FBIHQ or field offices which were  
collected during the course of the MURKIN investigation".  
FBIHQ has pulled photographs of all latents of value  
submitted by field offices from the FBIHQ MURKIN file.

The Bureau requested Atlanta to review its  
MURKIN file for any latent fingerprint lifts obtained  
during the course of the MURKIN investigation and if  
feasible, submit photographs of those lifts. If not,  
the actual lifts were to be submitted to FBIHQ, which  
would be returned to Atlanta after copying by FBIHQ.  
Atlanta reviewed the 1A Section of Atlanta's MURKIN  
file (44-2386) as well as the bulk exhibit sheets and  
noted there were 124 1A exhibits and five bulky  
exhibit sheets. Only four 1A envelopes and one bulky  
exhibit pertained to latent fingerprints obtained during  
the course of the Atlanta MURKIN investigation and all of  
these were previously sent to FBIHQ in 1968. Only one  
of these Atlanta 1A exhibit envelopes currently  
contained latent fingerprint lifts.

These 1A exhibits and the one bulky exhibit are set forth below:

1) 44-2386-1A-42

This 1A envelope noted that this had contained latents recovered from the right and left arm rests of the 1966 Mustang, 4/17/68, and were sent to the Bureau by airtel on 4/18/68. There were no latent fingerprint lifts in this 1A envelope.

A xerox copy of this 1A envelope, the Atlanta airtel to FBIHQ, 4/18/68, and FBIHQ airtel to Atlanta and Memphis, 4/22/68, regarding these Mustang fingerprint lifts are enclosed for FBIHQ.

2) 44-2386-1A-84

This 1A envelope noted that this had contained 19 unidentified latent fingerprints received on 5/1/68, from the Gwinnett County Police Department, Lawrenceville, Georgia, and were to be returned to this police department. These latent fingerprints were sent to FBIHQ on 5/2/68. There were no latent prints in this 1A envelope.

A xerox copy of this 1A envelope, an Atlanta airtel of 5/2/68, transmitting these prints and a Bureau airtel of 5/8/68, with the results of the examination are enclosed for FBIHQ.

3) 44-2386-1A-90

This 1A envelope noted that this had contained 15 lifts of fingerprints obtained from the Rome, Georgia, Police Department on 5/3/68, and these were sent to the Identification Division on 5/13/68, by Atlanta. There were no latent fingerprint lifts in this 1A envelope.

A xerox copy of this 1A envelope, and the Atlanta airtel of 5/13/68, to the Identification Division are enclosed.
4) 44-2386-1A-98

This 1A envelope noted that it contained 18 lifts and seven negatives of latent fingerprint impressions from the files of the Rome, Georgia, Police Department which had been returned by FBIHQ. These were the same latents as in item 3 above (44-2386-90), but were entered in the 1A Section as a new item and showed 18 latents rather than 15.

A xerox copy of this 1A envelope, a copy of the FBIHQ airtel to Atlanta, 5/21/78, relative to these latents, and an envelope containing all these latent prints is enclosed for FBIHQ.

5) 44-2386-1B-2

This bulky exhibit sheet dated 4/15/78, listed 10 items obtained from JIMMY GARNER, 113-14th Street, Atlanta, on 4/15/68, and it showed that items 9 and 10 were latent lifts. There was a notation on this bulky exhibit sheet that these items had been sent to FBIHQ on 4/15/68.

A xerox copy of this bulky exhibit sheet, an FD-302, dated 4/22/68, an Atlanta airtel to FBIHQ, 4/15/68, and FBIHQ airtel to Atlanta and Memphis, 4/16/68, are enclosed for FBIHQ.

HOUSE SELECT COMMITTEE ON
ASSASSINATIONS (HSCA)
BUDED 4/21/78

Re Bureau teletype to Atlanta, Los Angeles, and Memphis, 3/29/78; Bureau telephone call to Atlanta, 3/31/78; and Atlanta letter to FBIHQ, 4/11/78. (2)

By separate package, Atlanta is sending FBIHQ xeroxed copies of 74 volumes of documents that were in the Atlanta file on MARTIN LUTHER KING, JR., 100-5586 as requested by FBIHQ.

Referenced Bureau teletype had indicated that in connection with the investigation into the assassination of MARTIN LUTHER KING, JR., the HSCA had requested access to various field office files, including the entire Atlanta security file concerning MARTIN LUTHER KING, JR., (Atlanta file 100-5586). One legible copy of each document in this Atlanta file was to be furnished to FBIHQ.

ST. 11462 117290 670
AT 66-2242

The Bureau also advised Atlanta in referenced Bureau telephone call, that the HSCA wanted Atlanta to first furnish those documents in KING’s Atlanta security file that covered the period 1/1/68 through 4/30/68, and when these were xeroxed, they were to be sent to FBIHQ right away. When this phase was completed, then the remaining documents in KING’s Atlanta file were to be xeroxed and sent to FBIHQ.

The Atlanta file on MARTIN LUTHER KING, JR., consisted of 81 volumes and the documents in this file covering the period 1/1/68 through 4/30/68 were in volumes 74 through 80. Since the KING file only contained 81 volumes, Atlanta submitted volumes 74 through 81 with referenced Atlanta letter to FBIHQ, 4/11/78.

One xerox copy of the following volumes of the Atlanta file on MARTIN LUTHER KING, JR., are being sent to FBIHQ at this time:

As the Bureau will note in the above list, in a number of volumes of the KING file, there are many serials listed that cannot be accounted for. For the information of the Bureau, back in 1977, Atlanta had a massive project of retrieving communications containing electronic surveillance (elsur) information regarding MARTIN LUTHER KING, JR., and the Southern Christian Leadership Conference (SCLC) per a court order in the case captioned, "BERNARD S. LEE v. CLARENCE M. KELLEY: ET AL (U.S.D.C., D.C.) CIVIL ACTION NO. 76-1185 AND SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC) v. CLARENCE M. KELLEY; ET AL (U.S.D.C., D.C.), CIVIL ACTION NO. 76-1186". In this project, Atlanta had to review hundreds of volumes of Atlanta files and retrieve thousands of communications containing this elsur information so these communications could be sent to FBIHQ, for eventual
transfer to the National Archives per the court order. Atlanta in carrying out this project, had to use a large number of Atlanta personnel, many being unfamiliar with security type work and communications.

These people had been instructed to list each serial removed from the file on a form that Atlanta devised for each volume reviewed in project, however, it was felt that in many instances where a cover airtel and LHM were removed from the files, both these items would be stapled together, resulting in only the cover airtel serial number being listed on the form; the LHM serial number would not be noted by the person removing this communication and as a result it was not recorded. Atlanta feels this accounts for the bulk of the unaccounted for serials.
