of the DFS and 2 Mexican Army demolition men recovering the explosives. GUTIERREZ BARRIOS indicated that with the information furnished by the Miami Office his men had no difficulty in locating and recovering these objects. Inasmuch as no individual descriptions of the photographs were obtained from DFS and they are basically self-explanatory, no descriptive list is being set forth. (S) #

As the Bureau and Miami are aware, on 5/3/67 a bomb of low power was apparently thrown into the courtyard of the Cuban Embassy at Mexico, D.F., and exploded underneath the automobile usually occupied by the Cuban Ambassador to Mexico JOAQUIN HERNANDEZ ARMAS. [The DFS] is of the opinion that the bombing is the work of some exile group very likely based in Florida and on this basis a telephone call was made by the Mexico City Office to Miami on 5/4/67 and [as a result DFS] [S] could be assured that FRANK FIORINI was in Miami on that date. Leads to determine the whereabouts of other logical suspects, including the other Cuban suspects in this case, are being handled under the caption "ANTI-FIDEL CASTRO ACTIVITIES, IS - CUBA, NEUTRALITY MATTERS, BuFile 109-584, Miami File 105-172, MEX 109-114."
