Re Chicago LHM dated 3-16-65.

Investigation requested in referenced Chicago memorandum was referred by letter to the Police Judiciaire (Criminal Police), Sûreté Nationale (PJSN), on 3-24-65. Contact has been maintained with the PJSN regularly to obtain the results of their inquiry.

Mr. ALFRED GERTHOFFERT of the PJSN advised on 5-24-65 that investigation thus far had failed to locate any record of three mink coats and jewelry having been declared at the time FUEGER entered France. Mr. GERTHOFFERT stated that it appears that this material was not questioned by the French Customs and that no record was made of it at the time she entered France. The investigation is continuing, however, and Mr. GERTHOFFERT will furnish us with the final results thereof in the near future. E

It is noted that Chicago memorandum indicates that Chicago is awaiting further information regarding the use of false identification by FUEGER while in Paris. The results of that inquiry were contained in Paris letter 3-2-65. It was indicated that the question of false identity apparently arose as a result of information having been furnished erroneously by the Hotel Bristol. No further inquiry is being conducted in that regard.

We will continue to follow with the PJSN and advise the Bureau.
