Figure 1 is a line graph showing the percentage of respondents who believe that the use of force is justified in various circumstances. The x-axis represents the percentage of respondents who believe that the use of force is justified in various circumstances, ranging from 0 to 100. The y-axis represents the percentage of respondents who believe that the use of force is justified in various circumstances, ranging from 0 to 100. The graph shows a general trend of increasing justification for the use of force as the percentage of respondents who believe that the use of force is justified in various circumstances increases.

MARITAL STATUS: Married; [redacted], age 29, daughter Catherine, age 6.
