20. Memo for the record, undated, by Hunt:  
"Subject: Procurement of Intelligence by Mrs. Dorothy L. Hunt."  
1. On 25 February 1963, I delivered to Mr. W. Loyal George, Chief, FI, thermo-fax copies of a memorandum and a letter of transmittal dated 18 and ~~SECRET~~ February

respectively. Both were prepared by Ambassador Antonio Garrigues for Prince Stanislas Radziwill and taken to the latter in New York by Alfonso de Borbon, 2d Secretary of the Spanish Embassy in Washington.

2. The purport of the material was to enlist the aid of Radziwill in (a) persuading the President to visit Madrid during his next European trip, and (b) conveying to the President the views of Ambassador Garrigues regarding U.S. - Latin American relations.

3. Mr. George regarded the material too sensitive to be handled by routine means, and decided to show it only to Mr. Helms.

4. On 27 February 1963, Mr. George telephoned me to say that he had just shown the material to Mr. Helms who

speculated whether ~~or not~~ he ought not take it to the White House at once. Mr. George demurred, pointing out the sensitivity of the source (my wife), whereupon Mr. Helms indicated that nothing should be done with the material until Mr. George returned from a Far East trip and could consider the matter farther.

5. Mr. George then asked Mr. Helms whether my wife should register under the Foreign Agents Registration Act, and Mr. Helms said that under the circumstances she absolutely should not. "

- 23 Memo for record by Laurence Parr dated 18 April 1963. Discussed Hunt's memo + Bannerman's RS with Winters on 16 April. Parr is worried because the situation could be embarrassing because "Mrs. Hunt is engaging in intelligence collection in the United States - without any official sanction for such activity." This was the problem anticipated when OS denied permission for the job. Both Winters + Parr were concerned that the letter Bannerman suggested "might really 'stir up' all sorts of problems" because of the question of how the Security Officer

of DODS had gotten info that had been "handled on extremely high levels in the ODP complex." So they decided to ask Mr George if ~~Mr~~ it was intended to use Mrs Hunt operationally before writing the letter. ~~They~~ Parr talked to George on 17 April who said he was not aware of OS disapproval and that there considerations were valid. George said that he would take the matter up @ Helms and Karamessines, and that the letter not be sent until the meeting between him, Helms, Karamessines and an OS rep had occurred.

24. Memo for Dir of Sec. from Chief /FI dated 5/10/63 says: "I have discussed the point raised by you with Mr. Helms and while we agree in principle, we

Follow-up in info in files that two people ~~in~~ (PAUL GAYNOR EDWARD SAYLE)

~~CI/OP~~ believed CI/OPS had knowledge of Hunt's writing activities. Rocca was asked specifically about

- 1) any form of official sponsorship <sup>OR ENCOURAGEMENT</sup> of Hunt's work;
- 2) any assistance was asked for from CI/OPS;
- 3) any relationship between that staff & Hunt.

"In response to these questions Mr. Rocca responded 'on the record' that he has no knowledge of any such arrangements nor at any time was he party to any assistance or any requests for " to Mr. Hunt. Mr. Rocca stated that the particular section which he had been

SECRET

most actively concerned in the past years was responsible for handling a variety of tasks categorized under the area of 'setting the record straight.' In this sense, the 'image' mission of the office was to counter misinformation currently in the media or otherwise believed to be a part of an effort to discredit the Agency. Mr. Rocca feels that any assumption that Mr. Hunt was engaged in any form of Agency sponsored image activity would have probably lead to the conclusion that it was done under the Counter Intelligence Operations. However, Mr. Rocca emphatically stated that this was not the case.... Mr. Rocca did venture the opinion that he felt that in all probability, an official

acquiescence on the part  
of senior officials might  
have been involved  
rather than an official
