Additional memoranda in file reflect the following:

- (1) 15 May 1961 contract (still in effect) provided a basic fee of \$8000 with no mention of amount of time subject worked to earn such.
- (2) WH memo of 18 June 63 asked a pay increase from \$8000 to \$9000 based upon, "manner of TICHBORN's performance and the increase amt. of time which he devotes to Agency requirements".
- (3) WH dispatch of 9 Nov 64 said that, "Hqs agrees that present expiring contract called for about 2/3rds subject's time---TICHBORN pointed out.... he now engaged 90% of his time for Agency".
- (4) WH memo of 24 Nov 64 requested an increase from \$9000 to \$12,000 based upon TICHBORN's increased value plus "using TICHBORN's service on substantially a full time basis".
- (5) As cited above, current WH memo of 7 Oct 66 asks for an increase of \$5k from \$12,000 to \$17,000 based on subject's "overall performance and full time services".

Mr. ~~James C. [redacted]~~

Dear Mr. ~~[redacted]~~:

Reference is made to your current contract with the United States Government, as represented by the Contracting Officer.

Arrangements have been recently completed allowing certain independent contractors of this organization to obtain social security credits by covering such individuals under the social security tax provisions applicable to employees. These arrangements also include a provision for retroactive applicability to the beginning of the 1965 tax year. This can be done only for reasons of security since the procedure results in reducing the social security tax from the self-employed rate to the employee rate. For example, in January of 1965 the tax rates were 5.4% and 3-5/8% respectively.

As a consequence thereof, said contract is amended by deleting all reference to social security and by adding the following paragraph:

"Effective 1 December 1964, social security taxes will be [redacted] deducted by this organization from your compensation in the same manner and to the same extent as would be done if you were a Government employee. Security reasons make this procedure necessary. Its implementation does not imply in any manner the actual creation of an employee-employer relationship. Your legal status under this agreement continues to be that of an independent contractor."

If you receive or expect to receive full or partial social security credits from overt sources you will so notify this organization and an adjustment will be made or [redacted] discontinued, depending upon the circumstances. Further, if you should subsequently receive overt social security credits, evidence thereof will be submitted to this organization. In such event your [redacted] credits will be erased and your [redacted] deductions returned.

All other terms and conditions of said contract remain in full force and effect.

INSTRUCTIONS

1. NUMBER OF EXEMPTIONS.--Do not claim more than the correct number of exemptions. However, if you expect to owe more income tax for the year than will be withheld if you claim every exemption to which you are entitled, you may increase the withholding by claiming a smaller number of exemptions.

2. CHANGES IN EXEMPTIONS.--You may file a new certificate at any time if the number of your exemptions INCREASES.

You must file a new certificate within 10 days if the number of exemptions previously claimed by you DECREASES for any of the following reasons:

(a) Your wife (or husband) for whom you have been claiming exemption is divorced or legally separated, or claims her (or his) own exemption on a separate certificate.

(b) The support of a dependent for whom you claimed exemption is taken over by someone else, so that you no longer expect to furnish more than half the support for the year.

Mr. Edward G. Tichborn

Dear Mr. Tichborn:

Reference is made to your contract with the United States Government, as represented by the Contracting Officer, effective 15 October 1959, as amended. Effective 18 May 1961, said contract is hereby terminated by mutual consent of the parties hereto and in lieu thereof the following is substituted.

The United States Government, as represented by the Contracting Officer hereby contracts with you as an independent contractor for the submission of certain information and related services of a confidential nature under the following terms and conditions:

1. Compensation. In full consideration for the submission of such information and services, you will be paid an amount calculated at the rate of \$8000 per annum. Payments will be made as directed by you in writing in a manner acceptable to the Government. Monies paid you by the Government under this paragraph constitute income for Federal tax purposes. You will be advised as to the method to be followed in reporting and paying such taxes. The method as well as the procedures used by this organization to implement its tax reporting responsibilities will be based primarily upon cover and security requirements. You herein authorize this organization to withhold taxes on said income if it determines such requirements so necessitate.
2. Travel and Operational Expenses. You will be advanced or reimbursed funds incurred in connection with such operational travel as may be directed or authorized by the Government. This may include per diem in lieu of subsistence in the course of such travel and while on temporary duty away from your permanent post of assignment. In addition, you will be advanced or reimbursed funds for necessary operational expenses as specifically approved by the Government. Payment and accounting for all expenses incurred hereunder will be in substantial conformance with applicable Government regulations.
3. Repayment. It is recognized that your failure to account for or refund any monies advanced you hereunder shall entitle the Government to withhold the total amount of such indebtedness or any portion thereof from any monies due you under the terms of this contract in such manner as it deems appropriate.
4. Funding. If necessary to protect the security of this arrangement, monies due you hereunder may be funded in other than a direct manner. It is understood and agreed that any monies so funded constitute payment by the Government in satisfaction of its obligations under this agreement.
5. Execution of Documents. If, in the performance of services under this contract, you assume the custody of Government funds or take title of record to property of any nature whatsoever and wherever situate, which property has in fact been purchased with monies of the U. S. Government, you hereby recognize and acknowledge the existence of a trust relationship, either express or constructive, and you agree to execute whatever documents may be required by the Government to evidence this relationship.

6. Status. You are not an employee of the United States Government under this agreement and are not entitled to any benefits normally incident to an employee status.

7. Instructions. Instructions received by you from the Government in briefing, training or otherwise are a part of this contract and are incorporated herein, provided that such instructions are not inconsistent with the terms hereof.

8. Unauthorized Commitments. No promises or commitments pertaining to rights, privileges or benefits other than those expressly stipulated in writing in this agreement or any amendment thereto shall be binding on the Government.

9. Secrecy. You will be required to keep forever secret this contract and all information which you may obtain by reason hereof (unless released in writing by the Government from such obligation), with full knowledge that violation of such secrecy may subject you to criminal prosecution under the Espionage Laws, dated 25 June 1948, as amended, and other applicable laws and regulations.

10. Term. This contract is effective as of 19 May 1961, and shall continue thereafter for a period of two (2) years unless sooner terminated either:

(a) By thirty (30) days' actual notice by either party hereto, or

(b) Without prior notice by the Government, in the event of a breach of this contract by your violation of the security provisions hereof or by your otherwise rendering yourself unavailable for acceptable service.

Subject to the availability of appropriations, this agreement may be extended upon notice from the Government. Termination of this agreement will not release you from the obligations of any security oath you may be required to take.

MEMORANDUM FOR THE RECORD

SUBJECT: Edward G. Tichborn (P) - Hernia

1. On 1 February Edward G. Tichborn advised me that in lifting his bag out of a taxi on his return trip from Cuba, he suddenly felt a pain in the groin and was afraid that he had a hernia.

2. On the way to the airport he asked me if there would be any chance of the Government picking up his medical expenses in the event that he actually had a hernia which required any substantial treatment. I told him at that time that I did not know what the Government's position would be, but that I would check into the matter and let him know.

3. On 2 February, I contacted [redacted] and explained the circumstances to him. At that time, I also pointed out that as far as the provisions of his contract were concerned, it was stated that he was not an employee of the U. S. Government and while it did not make specific reference to medical payments while he was working for us, it did not specifically preclude such payments. [redacted] replied that although the contract stated he was not an employee of the U. S. Government, in actual fact during the period he was doing our bidding, he was. I went on further to explain to [redacted] that in all probability we will call on Tichborn to do future notices for us and that while he was being paid, it was doubtful that this reimbursement was as sound as what he would make in his regular law practice. [redacted] stated that there were a number of ways that we could alleviate his situation should it become necessary.

Misunderstanding. I said the facts of a case - not the words in a paper would probably be the basis for determination of employee status. If we wish to pay in this case a contractual payment - not necessarily related to medical problem - would probably be but ^{not} _{substantive}.

SECRET

4. The conclusion reached between me and [redacted] was that I should point out to Tichenorn that we were under no obligation to recompense him for his injury; however, that upon the completion of treatment if he would submit a claim, we should be glad to review it sympathetically.

5. I passed the gist of the above on to Tichenorn on 3 February.
