Update — Subj: — Front Office References —
Warren Commission / Kennedy Assassination, etc.

(1) Note: From a notation in Black Book, front office — "Files relating to functioning of the President's Committee on the Warren Report" — otherwise known as the "Dillon Committee - 1964-65" notation further states "Adrian + SS Liaison files retained in office SA/CICT". A search of this safe, however, indicates this material is no longer in the Safe. Exo/CICT is not aware of its whereabouts, and file is not in his safe. Once.

(2) Excerpt from Inventory sheet of materials not in safes or cabinet, from C/CI vault reads: "1 Can (metal) containing 35 mm film — FBI report to the Warren Commission dated 19 Dec. 63 — Delivered to Hartman." (See Inventory attached to Job No. 76-48).

(3) In Safe 11581, Drawer 1, Rm. 2C-17, there was a file broken down by markers entitled "Kennedy - Oswald + Castro" (Ca 1/2"); when I did a superficial inventory of this safe of Mr. Angleton's. However, as of this date it is not there. Merely says it was marked as belonging to Heloise Paige, and that shortly before Mr. A. left, it was returned to Miss Paige.

(4) In the bottom drawer of Safe # 2283, located in front office, are Mr. Rocca's folders on the Warren Commission (result of Rockefeller Committee's investigation.) They are to be held intact in case Mr. Rocca is called on to testify, so he can have easy access to them.
(over)

(5) In Safe #7380, Drawer #2, Rm. 2C-17 there are folders marked: Garrison; Charge against CIA." (100-300-017) (201-834122) Gordon Dwayne NOVEL.
2nd folder - Garrison - things to be added to official file in Archives.

(6) Sub M. 76-67 - Part 1 - Included with 17 folders - Presidential Protection (Mertz) is some material on Warren Commission as follows:
(A) Warren Committee Testimony - Belmont, Rowley, Hoover, Dillon, Pres' Physician, Science Advisor, + BD-4726.
(B) Bldg. + Route Surveys
(C) Foreign Press Reaction to Warren Commission Report
(D) President's Commission on the Warren Report. (Ca 1-2")

(7) Black Taped folder from Mr. Angleton's Safe, #11581, Rm 2C-17 - Papers having to do w/ Rockefeller Committee - (given to Mr O'Reilly, 5 Nov. 75). Not pertinent. JH

Note: Jean Manson has info on Oswald / Garrison / Mexico, etc.
