A review of instant file discloses that the following memorandum was prepared by Special Agent CHARLES S. MAYFIELD, JR of the Newark Field Division on May 5, 1944:

JOHN GROSSI, 99 North Tenth Street, Paterson, New Jersey, called the Newark Office on May 5, 1944, and advised that an Agent had been to his home to see him about the arrest of his son, JOHN GROSSI, in a sailor's uniform at Savannah, Georgia. He stated he would like to talk to an Agent.

Reference teletype dated May 8, 1944, requested that the records concerning Subject GROSSI'S birthdate and birthplace, legal residence and relatives be obtained from the New Jersey State Home.

By reference teletype dated May 12, 1944, this office was advised that the aforementioned investigation was not necessary. Subsequently by reference teletype dated May 16, 1944, the requests were again reiterated.

MR. JOHN JOSEPH GROSSI, father of Subject, residing at 99 North Tenth Street, Paterson, New Jersey, and employed at the Crescent Fish Company, 11 Hudson Street, Paterson, New Jersey, stated that he and his wife were divorced many years ago. To his knowledge JOHN, or JACKIE as he was called, was born on either August 4 or 5, 1927, in Paterson, New Jersey.

He revealed that due to numerous difficulties in which Subject became involved he was finally made a ward of the State, and was given over to the State Board of Children's Guardians. He stated that his wife's name was ANNA ROSE WAR. His daughter, EUGENIA GROSSI ENGOLD is 20 years of age and presently resides at 286 - 17th Avenue, Paterson, New Jersey. ALBERT GROSSI, a son, 24 years of age, is presently serving overseas in the U. S. Army.

MR. JAMES GOURLEY, Passaic County Probation Office, Courthouse, Paterson, New Jersey, summarized Subject's record with that department as follows:

He was brought into Juvenile Court on April 30, 1942, being 14 years of age, charged with larceny of war stamps valued at \$9. For this offense he was placed on probation, and was brought back to the Probation Office on July 10, 1942, for violation of his parole. Following the reprimand he was continued on probation, and was again brought in on August 21, 1942, after failing to report to his parole officer.

At this time Subject was given a psychiatric examination. On the same date he was turned over to the State Board of Children's Guardians, at which time he was placed in a foster home, but continued in his nefarious ways. He was finally committed to the Jamesburg Reformatory on March 11, 1943.

The records of the Probation Office reflected that Subject was born August 5, 1927, in Paterson, New Jersey. The records further revealed that Subject's father, who is approximately 41 years of age, has a rather lengthy police record, commencing in 1920, offenses being disorderly person, assault and battery, drunkenness, desertion, non-support, passing worthless checks and abandonment and cruelty to children. The records revealed that the mother and father were divorced in June of 1935, and in August, 1929 she served ten days in the Passaic County Jail of a thirty-day sentence for the charge of abandonment of minor children. On January 25, 1933 Subject's mother received a suspended sentence for being a disorderly person.

The records also reflected that Subject's brother, ALBERT, was charged with larceny and receiving on April 22, 1938, was put on probation, and later on May 16, 1938, was brought in for the violation of this parole and sentenced to the Annandale Reformatory for the crime of sodomy.

There was no record available in the Probation Office for Subject's sister, EUGENIA. MR. GOURLEY advised that to his knowledge she is of poor moral character, and has been fortunate in not having acquired a criminal record at this time.

Subject's birthdate was verified with the Bureau of Vital Statistics, Paterson, New Jersey. In their records Subject is carried as GIOVANNI GROSSI.

Special Agent WARREN J. LYNCH of the Newark Field Division conducted the following investigation, as set forth in a memorandum contained in the files of the Newark Field Division prepared by Field Supervisor MILTON R. KAACK:

MR. VICTOR J. HALL, Assistant Superintendent, New Jersey State Home for Boys at Jamesburg, advised that GROSSI had been a ward of the State. He had been in the custody of the State Board of Children's Guardians because of very bad home conditions, his parents being divorced, and no suitable arrangements could be made for the care of the boy.

He was incarcerated at the State Home for Boys on March 11, 1943, the charge being stealing from Passaic County, believed to be Paterson, New Jersey. He had been released on a temporary parole basis, to be employed at Adrian's Diner, Cranbury, New Jersey, and while employed there, stole \$38 from the cash register and ran away. It was stated he had, however, more than \$38 due him at that time for wages.

The State Home for Boys was advised by EDWIN HARDINGSON, Chief U. S. Probation Officer, Post Office Building, Savannah, Georgia, that the boy had been picked up on a charge of illegal wearing of the uniform, and that they did not intend to hold him, and wanted to know if the State Home would come for him or wanted him held. The State Home was unable to send for him

NK 43-310

because of the distance involved, and said they didn't want him held.

MR. FITCH, Superintendent of the State Home, received a letter on May 16, 1944, from the Subject, stating that he was very sorry he had disappointed MR. FITCH, and didn't want the police to be constantly looking for him, and that he would work his way back to the State Home, if it took him a month.

The records of the State Home show the date of birth for the Subject as August 5, 1927; at Paterson, New Jersey, and his last residence in Paterson as 81 Temple Street.

The following investigation was conducted by Special Agent WILLIAM V. CLEVELAND:

EDWARD L. COFFEY, Bureau of Vital Statistics, Atlantic City, New Jersey, checked the birth records for the years 1926, 1927 and 1928, with negative results, under the name THOMAS HARVEY HERMAN. MR. COFFEY suggested that Subject HERMAN'S birth was probably recorded in Trenton, New Jersey.

This case is being Referred upon Completion to the Office of Origin.
